## 1 Purpose and Scope

These National Safety Instructions (NSI's) set down recommended methods of achieving the objectives of the National Grid Electricity Transmission plc Safety Rules (Third Edition). They ensure **Safety from the System** for personnel working on specified **Equipment**.

National Safety Instructions are mandatory. **Personnel** will be formally appointed to carry out specific roles and responsibilities in accordance with National Safety Instructions.

## 2 Definitions

Terms printed in bold type are as defined in the Safety Rules.
