CA029	Investigation of a relevant interruption of a user and interruption payment obligations associated with such an interruption				
Proposer	National Grid	Submitted	11/03/08	Submitted Priority	Normal
Amendment Description	Current status and progress				
The amendment seeks to ensure that there is an investigation and report process in place to enable parties to identify the cause of certain interruptions to Users that results in the User being disconnected from the GB Transmission System. In addition, it seeks to oblige the relevant Transmission Owner to make the necessary Interruption Payments to NGET, which NGET will in turn be obliged under the CUSC to make such Interruption Payments to the affected User.	CA029 (investigation of a Relevant Interruption of a User and Interruption Payment obligations associated with such an interruption) was proposed by National Grid and discussed at the March 2008 STC Committee meeting. The STC Committee AGREED that CA029 should proceed to the Evaluation Phase for a maximum of two months. The Proposed Amendment completed the Evaluation Phase by May's STC Committee Meeting. The Proposed Amendment Report was approved at May's STC Committee meeting and will be sent out for Industry consultation on 2 nd June 2008 with views requested by 16 th June 2008. The consultation period closed on 16 th June and there were no comments. The Amendment Report was submitted to the Authority on 23 rd June 2008 for determination. The Authority approved CA029 on 28 July 2008, with an implementation date of 4 August 2008.
