Dear Colleague,

## **NOTICE OF REVISED STANDARD CHARGES FOR METER BOX REPAIRS FROM 2 JULY 2007**

National Grid's standard charges for repairs to meter boxes are being revised with effect from start of business on Monday 2 July 2007. The existing standard charges have remained in place for some time and must now be updated to correctly reflect the level of cost incurred in carrying out this work. The table of charges has also been revised to show the full range of standard services available to customers.
