PLEASE NOTE :

This document should be read in conjunction with the document entitled “Short Term Operating Reserve Explanation and Tender Guidance” which can be found at:

<http://www.nationalgrid.com/uk/Electricity/Balancing/services/reserveservices/STOR/>

Specific guidance on how to complete these tender sheets is provided in Section 5 of the STOR Explanation and Tender Guidance Document with specific cross-references to these tender sheets via superscript numbers adjacent to the relevant fields of information.

Terms and phrases used in this document have the meanings set out or referred to in the STOR Tender Guidance Document.

IMPORTANT – PLEASE NOTE :

Sheets 1 and 5 of this document **must** be completed by **all** Tenderers.

Sheet 2 of this document must be completed by Tenderers offering availability within the First Year (05.00 hours, 26 October 2009 - 05.00 hours, 1 April 2010)

Sheet 3 of this document must be completed by Tenderers offering availability within a Subsequent Year (between 05.00 hours, 1 April 2010 and 05.00 hours, 1 April 2019)

Sheet 4 of this document must be completed by Tenderers offering a **non-Balancing Mechanism** service in respect of either (1) a new site or (2) any site in respect of which information provided to National Grid in Sheet 4 for a previous tender has changed or (3) where such information has not been specified in the Tenderer’s STOR Framework Agreement. Completion of this sheet is optional for all other Tenderers offering a **non-Balancing Mechanism** service.

Tenderers should note that:

- there is an option to apply indexation to the Contract Prices for a Subsequent Year Tender;
- STOR Tenders can be submitted before completing mandatory works necessary for the provision of Short Term Operating Reserve; and both the indexation methodology and the Mandatory Works Provisions need to be agreed in the STOR Framework Agreement before submitting the tenders.

Completed Tenders should be returned by 17:00 hours on
Friday 4 September 2009 to:

**Craig Maloney
