

2008 Draft Maintenance Programme v1

This initial DRAFT version of the 2008 Maintenance Programme has been produced by National Grid to satisfy its obligations under Section L 1.2 of the Network Code. An updated version of this plan will be published in February 2008. The Final 2008 Maintenance Programme is to be issued by 1st April 2008. Any comments should be sent to Andy Barwick, Physical Operations Team, National Grid, NG House, Warwick Technology Park, Gallows Hill, Warwick, CV34 6DA, Tel. 01926 653235.
