Dear GCRP Member/Alternate

**GCRP Membership Renewal 2009**

I would draw your attention to the provisions in Clause 5.5 of the Constitution and Rules of the Grid Code Review Panel (Revised - BETTA Go-Active date) regarding retirement and re-appointment of Panel Members.

All current Members will retire automatically at the start of the 5<sup>th</sup> **February 2009** Panel Meeting and any notifications regarding re-appointment or appointment of Members should be sent to the Chairman ([David.M.Smith@uk.ngrid.com](mailto:David.M.Smith@uk.ngrid.com)) and the GCRP Secretary ([Richard.Dunn@uk.ngrid.com](mailto:Richard.Dunn@uk.ngrid.com)) by **15<sup>th</sup> January 2008**. In addition I would draw your attention to Section 6 of the Constitution and Rules which deals with Alternates.

A copy of the list of Grid Code Review Panel Members and Alternates, as updated recently to show membership as I understand it to be is attached with this letter. Confirmation of the address and other details would be appreciated if you wish to be re-appointed.

I should also point out that the following seat on the GCRP is vacant:

- Representative for Suppliers of Electricity

Any nominations for this position should be sent to the GCRP Chairman and Secretary.

Yours sincerely

Richard Dunn  
GCRP Secretary
