				Priority	

Amendment Description

At National Grid Transco's Annual General Meeting (held on 25th July), shareholders approved a motion to change the name of the group to that of National Grid plc, with effective from 27th July 2005.

Due to the potential similarity between the group name National Grid plc and the holder of the Transmission Licence, National Grid Company plc, at the same time the group name was changed, National Grid Company plc was renamed National Grid Electricity Transmission plc.

This proposal proposes that the definition of NGC currently used within the STC and all occurrences of it within the STC are therefore updated.
