Dear Colleagues

NEW CHARGING STATEMENTS FOR 2004/05

I am pleased to inform you that Ofgem has approved the draft Charging Statements for 2004/05, which are therefore effective from 1 April 2004. Ofgem's letters of approval are available to view on our website on the Useful Info page.

National Grid has published Issue 4 of the Statements on the Charging Statements page of our website, linked below.

http://www.nationalgridinfo.co.uk/charging/mn_charging.html

The statements referred to are as follows:

- The Statement of Use of System Charges
- The Statement of the Use of System Charging Methodology
- The Statement of the Connection Charging Methodology

The Charging Statements and associated maps are available to download free of charge from our website. In accordance with our Transmission Licence, a charge will be levied for hard copies of the statements requested from National Grid.

If you have any questions on the Statements, please contact the **Charging Team** by e-mail at charging.enquiries@ngtuk.com or on 01926 654633.

Yours faithfully
