

Register of Employees on secondment with a public body/ or seconded to National Grid from a public body

Introduction

National Grid is committed to maintaining a list of employees who are currently seconded to a public body. We also maintain a list of public body employees who are currently on secondment with us.

Summary

- There are currently no US employees who have been seconded to or from a public body.
- In the UK six staff members have been seconded to a public body. One staff member is on secondment from a Public Body.
- A further six UK staff members are currently on secondment to Brussels based European bodies.
