

**NATIONAL GRID ELECTRICITY TRANSMISSION PLC
SECTION 47 OF THE PLANNING ACT 2008 (AS AMENDED)
YORKSHIRE GREEN**

NOTICE OF PUBLICATION OF A STATEMENT OF COMMUNITY CONSULTATION

Notice is hereby given that National Grid Electricity Transmission (“NGET”) plc of 1 - 3 Strand, London, WC2N 5EH (the “Applicant”) has published a Statement of Community Consultation (“SoCC”) for the Yorkshire Green Energy Enablement (GREEN) Project (the “Project”) in accordance with section 47 of the Planning Act 2008.

The Project will comprise approximately 7km of new overhead lines, a number of cable sealing end compounds, underground cables and two new substations (one near Overton and one near Monk Fryston), to link two existing overhead lines and to reinforce the system to increase the capacity of the network in the Yorkshire area. It will also include additional improvements and strengthening works to existing infrastructure, including existing overhead lines (conductors), fittings and pylons, utility diversions, connections and drainage works. The Project is sited within Yorkshire, routed from the most northerly components of the Project located approximately 1.5km north-east of the village of Shipton-by-Beningbrough and approximately 10km north-west of York city centre, to the most southerly components at Monk Fryston Substation, located to the east of the A1 and immediately south of the A63. The Project will also be routed via the Tadcaster area, located approximately 3km south-west of Tadcaster and to the north-east of the A64/A659 junction, where new components of infrastructure will also be proposed.

Under section 47 of the Planning Act 2008, the Applicant has a duty to consult the community on its proposals in accordance with the SoCC. The SoCC explains how NGET intends to undertake the consultation, where the consultation documents can be viewed, where public events will be held and explain how people can comment on the proposals and provide responses to the consultation.

The consultation will take place between **Thursday 28th October 2021 and Thursday 9th December 2021**.

Between those dates the SoCC is available to view free of charge on the Project website at: www.nationalgrid.com/uk/electricity-transmission/yorkshire-green

Printed copies of documents, plans and maps showing the nature and location of the Project, along with printed copies of feedback questionnaires to take away, will be available to view at the following public information point locations. Our Preliminary Environmental Information Report (“PEIR”) will be available to view on the Project website and will not be available to view in printed format at these locations. These locations also offer computer and internet access to view these documents online.
