

THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (SNOWDONIA VISUAL IMPACT PROVISION PROJECT) COMPULSORY PURCHASE ORDER 2020

The Electricity Act 1989 and the Acquisition of Land Act 1981

NATIONAL GRID ELECTRICITY TRANSMISSION Plc (Company Registration Number 02366977) (in this Order called "the acquiring authority"), hereby makes the following Order:

- 1 Subject to the provisions of this Order, the acquiring authority is under Section 10 and Schedule 3 to the Electricity Act 1989 hereby authorised to purchase compulsorily the land and the new rights over land described in paragraph 2 for the purposes of replacing approximately 3.5 kilometres of the existing overhead electricity line and ten pylons which currently span the Dwyryd Estuary between Garth near Minffordd in the west and Cilfor in the east with an underground cable tunnel solution and associated tunnel head houses and sealing end compound, together with related works to facilitate delivery of the Snowdonia Visual Impact Provision Project and the subsequent transmission of electricity.
- 2 The land and new rights to be acquired
 - (1) The land to be purchased compulsorily under this Order is described in Table 1 of the Schedule and the land is shown coloured pink and edged red on a map prepared in duplicate, sealed with the common seal of the acquiring authority and marked "Map referred to in The National Grid Electricity Transmission Plc (Snowdonia Visual Impact Provision Project) Compulsory Purchase Order 2020".
 - (2) The new rights to be purchased compulsorily under this Order are described in Table 1 of the Schedule in accordance with the definitions at paragraph 6 below and the land is shown coloured blue on the map prepared in duplicate, sealed with the common seal of the acquiring authority and marked "Map referred to in The National Grid Electricity Transmission Plc (Snowdonia Visual Impact Provision Project) Compulsory Purchase Order 2020".
- 3 Parts 2 and 3 of Schedule 2 of the Acquisition of Land Act 1981 are hereby incorporated with this Order and references in the said Parts 2 and 3 to "the undertaking" shall be construed as including the works to be constructed by the acquiring authority in, on, over and under the land subject to this Order.

THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (SNOWDONIA VISUAL IMPACT PROVISION PROJECT) COMPULSORY PURCHASE ORDER 2020

- 4 As from the date on which this Order becomes operative or the date on which any new right is vested in the acquiring authority, whichever is the later, the land over which the new right is acquired shall be discharged from all rights, trusts and incidents to which it was previously subject so far as their continuance would be inconsistent with the exercise of that new right.
- 5 Where in this Order a new right is acquired it shall be exercisable at all times by the acquiring authority, its successors in title, lessees, licensees, assigns and those deriving title from them and all persons authorised by any of these.
- 6 (1) In Table 1 of the Schedule to this Order, the following terms shall have the following meaning:

Defined Term	Description of Right
Electric Line Dismantling and Removal Rights	<p>All rights necessary for the purposes of or incidental to dismantling and removing any electric lines, including conductors, fittings, towers and their foundations, electrical plant, buildings, structures, pylons, apparatus and vegetation from that land, including:</p> <ul style="list-style-type: none"> • the right to access the land and adjoining Order land, with or without vehicles, plant, machinery, apparatus, equipment, materials and personnel; • the right to carry out works to facilitate such access, including to construct, lay down, use and remove access roads including any necessary temporary bridging, culverting or diversion of watercourses and drains, removing and erecting fencing/gates, carrying out security operations, carrying out earth works, altering the level of land, removing buildings or structures or apparatus, modifying road verges and junctions and installing, using, altering, diverting, protecting, and removing services and utilities; • the right to fell, trim, lop or move all trees, bushes and other vegetation including those which obstruct or interfere with the exercise of those rights; • the right to bring onto the land, position and swing the jib of a crane loaded or unloaded through the airspace above the land for the purposes of removing machinery and equipment; the right to fence, erect hoardings or signage or otherwise secure the requisite compound; • the right to install and remove protection measures for third party structures and/or assets, including scaffolding; and • the right to monitor reinstatement works.
Deep Cable	All rights necessary for the purposes of or incidental to the construction and operation of the hereinafter mentioned

THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (SNOWDONIA VISUAL IMPACT PROVISION PROJECT) COMPULSORY PURCHASE ORDER 2020

Defined Term	Description of Right
Tunnel Rights	<p>Cable Tunnel and Electric Conductors and associated electricity infrastructure, including:</p> <ul style="list-style-type: none"> • the right to construct and install a cable tunnel with an overall external diameter (including construction tolerance) not exceeding 6 metres together with any necessary auxiliary apparatus, protection or activities, with the crown of the tunnel at a depth of not less than 15 metres below Ordnance Datum at the date of the Order (in the Order referred to as the "Cable Tunnel"); • the right to retain and make use of and from time to time inspect, cleanse, ventilate, maintain, drain, repair, alter, renew, replace, remove, and reinstate the Cable Tunnel; • the right to place, attach and install electricity cables for transmitting and/or distributing electricity at such voltage as NGET or other licensed operators may from time to time require for the purposes of its or their operations together with any necessary auxiliary apparatus required in connection with the aforementioned electricity cables within the Cable Tunnel (in the Order referred to as the "Electric Conductors"); • the right to retain, use, inspect, maintain, repair, alter, renew, replace and remove the Electric Conductors; • the right to enter the Cable Tunnel as often as may be required with or without vehicles and at all times with all necessary materials apparatus plant and equipment for the purposes set out above; • the right to all necessary rights of support for the Cable Tunnel; • the right to all necessary rights of protection for the Cable Tunnel from any excavation, mining, foundation or piling works within such part of the subsoil and under the surface of the land as comprises a strip (in the Order referred to as the "Development Exclusion Zone") thereof the upper limit of which shall not be greater than 6 metres from the top of the Cable Tunnel and the lower limit of which shall not be greater than 6 metres below the bottom of the Cable Tunnel and the lateral limits shall not be greater than 3 metres on each side of the Cable Tunnel; and • the right to prevent any works on or use of the land which may interfere with or damage the Cable Tunnel or the Electric Conductors or which interferes with or obstructs access to the Cable Tunnel or the Electric Conductors.
Shallow Cable Tunnel Rights	<p>All rights necessary for the purposes of or incidental to the construction of the hereinafter mentioned Cable Tunnel and operation of the electricity infrastructure, including:</p> <ul style="list-style-type: none"> • the right to construct and install a cable tunnel with an overall external diameter (including construction tolerance) not exceeding 10 metres together with any necessary auxiliary apparatus, protection or activities, with the crown of the tunnel at a depth of not less than 3 metres below Ordnance Datum at the date of the

THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (SNOWDONIA VISUAL IMPACT PROVISION PROJECT) COMPULSORY PURCHASE ORDER 2020

Defined Term	Description of Right
	<p>Order (in the Order referred to as the "Cable Tunnel");</p> <ul style="list-style-type: none"> • the right to retain and make use of and from time to time inspect, cleanse, ventilate, maintain, drain, repair, alter, renew, replace, remove, and reinstate the Cable Tunnel; • the right to place, attach and install electricity cables for transmitting and/or distributing electricity at such voltage as NGET or other licensed operators may from time to time require for the purposes of its or their operations together with any necessary auxiliary apparatus required in connection with the aforementioned electricity cables within the Cable Tunnel (in the Order referred to as the "Electric Conductors"); • the right to retain, use, inspect, maintain, repair, alter, renew, replace and remove the Electric Conductors; • the right to enter the Cable Tunnel as often as may be required with or without vehicles and at all times with all necessary materials apparatus plant and equipment for the purposes set out above; • the right to all necessary rights of support for the Cable Tunnel; • the right to all necessary rights of protection for the Cable Tunnel from any excavation, mining, foundation or piling works within such part of the subsoil and under the surface of the land as comprises a strip (in the Order referred to as the "Development Exclusion Zone") thereof the upper limit of which shall not be greater than 6 metres from the top of the Cable Tunnel and the lower limit of which shall not be greater than 6 metres below the bottom of the Cable Tunnel and the lateral limits shall not be greater than 3 metres on each side of the Cable Tunnel; and • the right to prevent any works on or use of the land which may interfere with or damage the Cable Tunnel or the Electric Conductors or which interferes with or obstructs access to the Cable Tunnel or the Electric Conductors.
Buried Cable Rights	<p>All rights necessary for the purposes of or incidental to the installation and operation of electricity cables and the associated electricity infrastructure, including:</p> <ul style="list-style-type: none"> • the right with or without vehicles plant and equipment to enter and place electricity cables for transmitting and/or distributing electricity at such voltage as NGET or other licensed operators may from time to time require for the purposes of its or their operations together with any necessary auxiliary apparatus as required in connection with the aforementioned electricity cables (in the Order referred to as the "Electric Cables") at a depth (excluding auxiliary apparatus) of not less than 0.9 metres below the present surface of the land (save where the Electric Cables are brought to or above the surface for a cable bridge) and thereafter retain, commission, inspect, operate, cleanse, maintain, repair, alter, renew, replace and remove or decommission the

THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (SNOWDONIA VISUAL IMPACT PROVISION PROJECT) COMPULSORY PURCHASE ORDER 2020

Defined Term	Description of Right
	<p>Electric Cables;</p> <ul style="list-style-type: none"> • the right to use the Electric Cables; • the right to all necessary rights of support for the Electric Cables; • the right with or without vehicles plant and equipment to fell, trim or lop all trees, bushes and vegetation on the land which obstruct or interfere with the exercise of the rights granted; • the right with or without vehicles plant and equipment to carry out mitigation planting and monitoring; • the right with or without vehicles plant and equipment to enter land to access any adjoining land in connection with NGET’s undertaking; • the right to construct and install such temporary road(s) as NGET may require; • the right to install and remove protection measures for third party structures / assets, including scaffolding; • the right to divert and remove services and utilities; • the right to test and commission the Electric Cables and to remedy initial faults and defects in them at any time prior to the date on which it is energised and ready for commercial operation; and • the right to prevent any works on or use of the land which may interfere with or damage or cause injury to the Electric Cables or which interferes with or obstructs access to the Electric Cables.
Overhead Line Rights	<p>All rights necessary for the purposes of or incidental to the installation and operation of the overhead electric lines and associated infrastructure, including:</p> <ul style="list-style-type: none"> • the right with or without vehicles plant and equipment to enter to erect conductors for transmitting and/or distributing electricity at such voltage as NGET or other licensed operators may from time to time require for the purposes of its or their operations together with an earth wire fibre optic cable (in connection with the use of NGET’s undertaking only) and the tower(s) (if any) for supporting the same and such ancillary equipment and apparatus as required (but excluding the right to install fibre optic cables for the use of any third party or commercial operator) (in the Order referred to as the “Electric Lines”) and to retain, inspect, maintain, repair, alter, renew, replace and remove Electric Lines; • the right to use the Electric Lines; • the right to all necessary rights of support for the Electric Lines; • the right with or without vehicles plant and equipment to fell, trim or lop all trees, bushes and other vegetation

THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (SNOWDONIA VISUAL IMPACT PROVISION PROJECT) COMPULSORY PURCHASE ORDER 2020

Defined Term	Description of Right
	<p>on the land which obstruct or interfere with the exercise of the rights granted;</p> <ul style="list-style-type: none"> • the right to provide mitigation or remediation works, and associated monitoring; • the right with or without vehicles plant and equipment to enter land to access any adjoining land in connection with NGET's undertaking; • the right to install and remove protection measures for third party structures / assets, including scaffolding; • the right to divert and remove services and utilities; • the right to test and commission the Electric Lines and to remedy initial faults and defects in them at any time prior to the date on which it is energised and ready for commercial operation; • the right to facilitate a footpath diversion; • the right to prevent any works on or use of the land which may interfere with or damage or cause injury to the Electric Lines or which interferes with or obstructs access to the Electric Lines; and • the right to construct and install such temporary road(s) as NGET may require.
Construction and Compound Rights	<p>All rights necessary for the purposes of or incidental to the construction, installation and commissioning of the Cable Tunnel and Electric Conductors, Overhead Electric Line, Cables, and all associated infrastructure (including removal of the overhead lines), including:</p> <ul style="list-style-type: none"> • the right to access the land and adjoining Order land for the purposes of constructing, placing, installing and removing the electricity infrastructure, carrying out de-watering and drainage works and installing, altering or reinstating land drainage systems and commissioning the electricity infrastructure with or without vehicles, plant, machinery, apparatus, equipment, materials and personnel; • the right to carry out works to facilitate such access including to construct, lay down, use and remove access roads including any necessary temporary bridging, culverting or diversion of watercourses and drains, erecting fencing/gates, carrying out security operations, carrying out earth works, removing buildings or structures or apparatus, modifying road verges and junctions and installing, using, altering, diverting, protecting, and removing services and utilities; • the right to erect, create, use and remove a works compound which may include portable cabins and offices, noise enclosure, substation, and welfare facilities including portable toilets and electricity generators; • the right to store, stockpile and where necessary use, manage and process plant, machinery, apparatus, materials (including excavated material) and/or equipment;

THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (SNOWDONIA VISUAL IMPACT PROVISION PROJECT) COMPULSORY PURCHASE ORDER 2020

Defined Term	Description of Right
	<ul style="list-style-type: none"> • the right to access the land with or without vehicles, plant, machinery, apparatus, equipment, materials and personnel; • the right to fence, erect hoardings or signage or otherwise secure the compound; • the right to carry out drainage works and install, alter or reinstate land drainage systems; • the right to discharge water into existing drains and watercourses; • the right to monitor, including assets and equipment; • the right to install, use and remove artificial lighting; • the right to fell, trim and lop all trees, bushes and other vegetation which obstructs or interferes with the exercise of those rights; • the right to remove topsoil, adjust the height of the land, lay terram and/or stone surface (or similar surface) on the compound; • the right to carry out environmental surveys and works for the purpose of protecting wildlife and habitats during construction; • the right to reinstate the land; and • the right of support and protection for the compound.
Water Discharge Rights	<p>The right to construct, use, maintain, replace and remove a water discharge pipe, either at surface level, buried or within a drainage ditch, including:</p> <ul style="list-style-type: none"> • the right to access the land and adjoining Order land for those purposes, with or without vehicles, plant, machinery, apparatus, equipment, materials and personnel; and • the right to cut vegetation and remove obstacles where required.

- (2) The land shown coloured blue is a two-dimensional representation of a three-dimensional rights corridor within which will be located the tunnel, cables and associated works together with the "Development Exclusion Zone" with an overall maximum vertical dimension of 18 metres (22 metres at Garth) and an overall maximum lateral dimension of 12 metres (16 metres at Garth). The plot description refers to plot areas in square metres as the two-dimensional representation. The rights corridor may deviate laterally as shown on the Map to this Order and vertically as described.

THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (SNOWDONIA VISUAL IMPACT PROVISION PROJECT) COMPULSORY PURCHASE ORDER 2020

- (3) Where a numbered plot is shown adjacent to a street or public highway on the Map to this Order then the plot boundary is directly abutting that street or public highway.
