

The National Grid Electricity Transmission (Harker Energy Enablement Project) Compulsory Purchase Order 2023

**The Electricity Act 1989
The Acquisition of Land Act 1981**

National Grid Electricity Transmission PLC (company registration number 02366977 and in this Order called the "Acquiring Authority") makes the following Order-

- 1 Subject to the provisions of this Order, the Acquiring Authority is under section 10 and paragraph 1 of Schedule 3 of the Electricity Act 1989 ("the 1989 Act") hereby authorised to purchase compulsorily the land and the new rights over land described in paragraph 2 for the purposes of carrying on the activities authorised by its transmission licence under the 1989 Act, and more particularly for the purpose of (1) replacing the existing Harker substation, (2) refurbishing the existing 132kV overhead lines between Harker substation and the Scottish Border by installing an additional circuit along the existing pylons, and renewing the existing wires between Harker and the Scottish Border (via Longtown) and (3) associated works to maintain and upgrade the existing electricity transmission system and provide additional network capacity for future demand .
- 2 The land and new rights to be acquired:
 - (a) The land authorised to be purchased compulsorily under this Order is described in Table 1 of the Schedule hereto and delineated and shown coloured light pink and edged red on the order map (Sheets 1 to 46) prepared in duplicate, sealed with the common seal of the Acquiring Authority and marked "Map referred to in the National Grid Electricity Transmission (Harker Energy Enablement Project) Compulsory Purchase Order 2023".
 - (b) The new rights to be purchased compulsorily over the land under this Order are described in Table 1 of the Schedule hereto in accordance with the definitions set out in paragraph 4 below. The land over which the new rights are to be purchased compulsorily is shown coloured light blue and edged red on the said map in accordance with the nature of rights described at paragraph 4 below.
- 3 Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 are hereby incorporated into the Order, and references in the said Parts 2 and 3 to "the undertaking" shall be construed as including the works to be constructed by the Acquiring Authority in, on, over and under the land subject to this Order.
- 4 Where pursuant to this Order a new right is acquired by the Acquiring Authority it shall be exercisable at all times by the Acquiring Authority, its successors in title, lessees, licencees, assigns and those deriving title from them and all persons authorised by any of these.
- 5 In Table 1 to the Order the following terms shall have the following meanings:

NATIONAL GRID ELECTRICITY TRANSMISSION (HARKER ENERGY ENABLEMENT PROJECT) COMPULSORY PURCHASE ORDER 2023

"electric cables" means the underground cables (including wires, earth wires, fibre optic cables and other communication cables, pipes, coatings and ducts), connections, cable draw pits, cable joints, cable marker posts, cable terminals, earth bonding and tape, drains, culverts, fibre optic pits, inspection boxes, trenches, marking bands, protective boards or tiles, jointing pits, link boxes, manholes, monitoring equipment, apparatus, conductors, supports, plant, equipment, pillars, warning tape, sheaths and other underground or overground equipment and apparatus associated with or ancillary to such underground cable

"electric lines" means the electric lines and conductors (including wires, earth wires, fibre optic cables and other communication cables, pipes, coatings, ducts and connections) for transmitting and/or distributing electricity at such voltage as the Acquiring Authority or other licensed operators may from time to time require for the purposes of its or their operations together with the towers (if any) for supporting the same together with such equipment and apparatus associated with or ancillary to such electric lines and conductors

Term	Definition
Overhead Line Rights	<p>All rights necessary at all times for the purposes of or incidental to the construction, retention, use, operation, protection, maintenance, surveying, testing, repair, renewal, replacement, commissioning and removal and decommissioning of the overhead electricity lines and associated infrastructure, including rights to:</p> <ul style="list-style-type: none"> (a) enter and remain on the land and adjoining land with or without personnel, vehicles, plant, machinery, apparatus and equipment including scaffolding, materials and personnel for such purposes; (b) take all necessary rights of support for the electric lines; (c) install and remove protection measures for third party structures/assets, including scaffolding; (d) prevent or restrict access to the land and adjoining land while works are being carried out; (e) test and commission the electric lines and to remedy initial faults and defects in them at any time; (f) enter the land and carry out surveys and investigations, including aerial surveys (including the right to fly an unmanned aircraft over the land and to enter and retrieve and recover any such unmanned aircraft from the land); (g) carry out archaeological works and surveys, environmental and/or ecological mitigation;

NATIONAL GRID ELECTRICITY TRANSMISSION (HARKER ENERGY ENABLEMENT PROJECT) COMPULSORY PURCHASE ORDER 2023

	<ul style="list-style-type: none">(h) carry out works required or permitted by a planning permission and/or consent or licences;(i) erect and remove fencing;(j) store and stockpile and where necessary use, manage and process plant, machinery, apparatus, and materials (including excavated material) and/or equipment;(k) construct, lay down, use and remove access roads including any necessary temporary bridging, culverting or diversion of water courses and drains and modifying road verges and junctions;(l) carry out de-watering and drainage works and install, alter, reinstate or remove land drainage systems;(m) discharge water into existing drains and watercourses;(n) protect and prevent damage to or interference with the operation and maintenance of the electric lines and construction of the same;(o) fell, trim or lop trees, shrubs, hedges and bushes and to clear and remove any and all vegetation which may damage, obstruct or interfere with these Overhead Line Rights or access to the electric lines;(p) prevent and remove any works on or use of the land that would prevent the works, access to or the operation and maintenance of the electric lines;(q) erect, create, use and remove hoarding, welfare facilities including portable toilets, portable cabins and offices, security cameras, parking of vehicles and electricity generators;(r) install, use and remove artificial lighting;(s) install, use, alter, divert and remove services and utilities;(t) prevent changes to the use, or level of the surface of, the land;(u) make good any damage caused in connection with the exercise of these Overhead Line Rights; and
--	---

NATIONAL GRID ELECTRICITY TRANSMISSION (HARKER ENERGY ENABLEMENT PROJECT) COMPULSORY PURCHASE ORDER 2023

	<p>(v) carry out any activities ancillary or incidental thereto.</p> <p>and rights to prevent any works on or use of the land that would prevent the exercise of the aforementioned rights.</p>
<p>Access Rights</p>	<p>All rights necessary to access the land at all times with or without vehicles, plant, machinery, apparatus, equipment (including without limitation scaffolding), materials and personnel, to exercise the Overhead Line Rights, the Cabling Rights, the Construction Compound Rights and/or the Earthing Rights and for purposes of or incidental to constructing installing repairing replacing commissioning decommissioning altering and inspecting the substation and associated infrastructure including rights to:</p> <ul style="list-style-type: none"> (a) carry out works to facilitate such access including to construct, lay down, use and remove access roads including any necessary bridging, culverting or diversion of water courses and drains, modifying road verges and junctions and installing, using, altering, diverting, and removing services and utilities and erecting and removing of any necessary fencing, safety and security measures; (b) fell, trim or lop trees, shrubs, hedges and bushes and to clear and remove any and all vegetation which may damage, obstruct or interfere with these rights; (c) prevent and remove any works or use of the land which may interfere with or obstruct such access or the exercise of these rights; (d) make good any damage caused in connection with the exercise of these rights; and (e) park any vehicles on the land; (f) prevent or restrict access to the land and adjoining land while works are being carried out; (g) carry out any activities ancillary or incidental thereto.
<p>Construction Compound Rights</p>	<p>All rights necessary for the purposes of or incidental to the establishment, use and removal of works compounds associated with the construction and commissioning of the electric cables and/or the construction, commissioning and decommissioning of the electric lines, including to:</p>

	<ul style="list-style-type: none"> (h) erect, create, use and remove a works compound which may include hardstanding, portable cabins and offices, security measures and welfare facilities including portable toilets and electricity generators; (i) store, stockpile and where necessary use, manage and process plant, machinery, apparatus, materials (including excavated material) and/or equipment; (j) access and remain on the compound area with or without vehicles, personnel and plant, machinery, apparatus, equipment and materials for such purposes; (k) fence, erect hoardings or signage or otherwise secure the compound; (l) carry out de-watering and drainage works and install, alter or reinstate land, drainage systems; (m) discharge water into existing drains and watercourses; (n) install, use and remove artificial lighting; (o) park vehicles; (p) protect and prevent damage to or interference with the exercise of the Construction Compound Rights including the operation and maintenance of any works constructed pursuant to these Construction Compound Rights; (q) fell, trim or lop trees, shrubs, hedges and bushes and to clear and remove any and all vegetation which may damage, obstruct or interfere with the exercise of these Construction Compound Rights; (r) install, use, alter, divert and remove services and utilities; (s) the right to erect repair reinstate and remove temporary scaffolding; (t) carry out archaeological environmental and/or ecological mitigation measures
--	---

NATIONAL GRID ELECTRICITY TRANSMISSION (HARKER ENERGY ENABLEMENT PROJECT) COMPULSORY PURCHASE ORDER 2023

	<ul style="list-style-type: none"> (u) make good any damage caused in connection with the exercise of these Construction Compound Rights; and (v) carry out any activities ancillary or incidental thereto
Cabling Rights	<p>All rights necessary at all times for the purposes of or incidental to the construction, retention, use, operation, protection, maintenance, surveying, testing, repair, renewal, replacement, commissioning and removal and decommissioning of the electric cables and associated infrastructure, including rights to:</p> <ul style="list-style-type: none"> (a) access the land and adjoining land with or without vehicles, personnel and plant, machinery, apparatus, equipment and materials for such purposes; (b) construct and install the electric cables in, on, under or over the land, including using trenchless techniques such as horizontal directional drilling; (c) test and commission the electric cables installed in, on, under or over the land and to remedy faults and defects in it; (d) carry out de-watering and drainage works and install, alter, reinstate or remove land drainage systems (e) enter the land and carry out surveys and investigations, including aerial surveys (including the right to fly an unmanned aircraft over the land and to enter and retrieve and recover any such unmanned aircraft from the land); (f) protect and prevent damage to or interference with the electric cables including its construction, operation and maintenance; (g) fell, trim or lop trees, shrubs, hedges and bushes and to clear and remove any and all vegetation which may damage, obstruct or interfere with the electric cables and the exercise of the Cabling Rights; (h) prevent and remove any works on or use of the land that would prevent access to or the operation and maintenance of the electric cables and the exercise of the Cabling Rights;

NATIONAL GRID ELECTRICITY TRANSMISSION (HARKER ENERGY ENABLEMENT PROJECT) COMPULSORY PURCHASE ORDER 2023

	<ul style="list-style-type: none"> (i) prevent changes to the use, or level of the surface of, the land; (j) make good any damage caused in connection with the exercise of these Cabling Rights; (k) rights of support for the electric cables; and (l) carry out archaeological works and environmental and/or ecological mitigation; (m) carry out works required or permitted by a planning permission and/or consent or licences; (n) erect and remove fencing; (o) store and stockpile and where necessary use, manage and process plant, machinery, apparatus, and materials (including excavated material) and/or equipment; (p) construct, lay down, use and remove access roads including any necessary temporary bridging, culverting or diversion of water courses and drains, modifying road verges and junctions; (q) discharge water into existing drains and watercourses; (r) prevent and remove any works on or use of the land that may interfere with or obstruct the exercise of the electric cables (s) install, use and remove artificial lighting; (t) install, use, alter, divert and remove services and utilities; (u) carry out any activities ancillary or incidental thereto.
Earthing Rights	All rights necessary to access and remain on the land with or without vehicles, personnel and plant, machinery, apparatus, equipment and materials to install, retain, replace and remove safety devices upon electricity lines located on the land.
