CASE 19-G-0310 - Proceeding on Motion of the Commission as to the Rates, Charges, Rules and Regulations of KeySpan Gas East Corporation d/b/a National Grid for Gas Service.

NOTICE INVITING COMMENT AND  
ANNOUNCING PUBLIC HEARINGS ON  
GREENPOINT VAPORIZERS 13 AND 14

(Issued August 29, 2022)

**PLEASE TAKE NOTICE** that public comment is invited concerning the proposal by The Brooklyn Union Gas Company d/b/a National Grid NY (KEDNY or the Company) to install two additional vaporizers at the Greenpoint Liquefied Natural Gas facility (Greenpoint LNG Vaporizer Project) as a long-term capital project subject to a surcharge imposed on customers in the KEDNY service territory. An administrative Law Judge (ALJ) will preside over the public hearings and the gathering of public comments relating to the Greenpoint LNG Vaporizer Project and the independent consultant's review and recommendation for the Commission's consideration.

On August 12, 2021, the New York State Public Service Commission (Commission) issued an Order adopting a Joint Proposal that approved increases to KEDNY's electric and gas rates and revenues over a three-year term beginning on April 1, 2020, and ending on March 1, 2023. The Commission's Order sets forth a process for KEDNY to propose the Greenpoint LNG Vaporizer Project as a long-term capital capacity project to address future reliability and capacity needs to meet peak

demand in its natural gas system and to impose an associated customer surcharge for the cost of the Proposal. The Commission's Order provided that the Greenpoint LNG Vaporizer Project would be reviewed by an independent consultant applying specified criteria including, but not limited to, Project cost, reasonable peak demand forecast, and alternatives to the Project that could meet, reduce, or eliminate demand. PA Consulting, Inc. will be conducting the review of the Greenpoint LNG Vaporizer Project. Pursuant to the terms of the August 12, 2021 Order and New York State Law, the Commission may adopt, reject, in whole or in part, or modify, the independent consultant's recommendation regarding the Greenpoint LNG Vaporizer Project.

The full text of the Company's Greenpoint LNG Vaporizer Project proposal, the Commission's August 12, 2021 Order and attached Joint Proposal, and further information in these proceedings may be reviewed online at the Department of Public Service web page, [www.dps.ny.gov](http://www.dps.ny.gov), by searching under Case 19-G-0309 or 19-G-0310.
