- This map displays the coastal waters of the United Kingdom, specifically focusing on the North East of Farnes Deep, Swallow Sand, and Holderness Offshore Marine Conservation Zones (MCZ). The map includes a legend with the following categories:

 - EEZ**: Exclusive Economic Zone, indicated by a dashed line.
 - Scottish Adjacent Waters**: Indicated by a blue dashed line.
 - 12NM Limit**: 12 Nautical Mile Limit, indicated by a dotted line.
 - EGL 5 Proposed Cable Corridor**: Indicated by a thick dark red line.
 - Marine Conservation Zones (MCZ)**: Indicated by green cross-hatched areas.
 - Nature Conservation Marine Protected Area (NCMPA)**: Indicated by pink cross-hatched areas.
 - Wind Site Agreements**:
 - Operational**: Indicated by orange areas.
 - Under construction**: Indicated by light orange areas.
 - Consented**: Indicated by yellow areas.
 - In planning**: Indicated by olive green areas.
 - Pre planning**: Indicated by light yellow areas.

The map shows the coastline of the United Kingdom, with the North East of Farnes Deep MCZ, Swallow Sand MCZ, and Holderness Offshore MCZ clearly marked. The EGL 5 Proposed Cable Corridor is shown running along the coast. Wind site agreements are shown as various colored polygons across the map, indicating the status of different wind energy projects.
