2.9.E. Preliminary Watercourse Crossing Schedule

2.9.E.1 Introduction

- 2.9.E.1.1 This Appendix has been produced to support **Volume 1, Part 2, Chapter 9: Water Environment** of the Preliminary Environmental Information Report (PEIR) for the onshore components within England of Eastern Green Link 3 (EGL 3) and Eastern Green Link 4 (EGL 4) ('the Projects').
- 2.9.E.1.2 The Appendix sets out a preliminary schedule of watercourse crossings for the Projects, providing an initial assessment of the purpose of the crossing, the watercourse owner, watercourse type and preliminary crossing point.
- 2.9.E.1.3 It should be noted that the preliminary watercourse crossing schedule presented in this appendix includes for the optionality in the Projects' design at Walpole and therefore will be refined as the Projects' design evolves.
- 2.9.E.1.4 The preliminary watercourse crossing locations are illustrated in **Table 2.9.E-1**, which supports this appendix.

Table 2.9.E-1 Preliminary Schedule of Proposed Watercourse Crossings

Watercourse crossing Reference	Haul Road	Cable Crossing?	Watercourse Owner	Watercourse Name	Watercourse Type	Northing	Easting
ACS/WA/0001	No	Yes	Internal drainage board - Black Sluice	North Outmarsh Drain	Minor Drain	554213.7454	377139.9639
