The location of all other developments is based on the level of information available prior to the last date for which information on other developments was obtained for the PEIR. Other developments which do yet have a confirmed location plan, a location centrepoints is shown. Where available boundaries have been made available for other developments, where this is not possible boundaries have been manually digitised

Figure 28-2:
English Onshore Scheme Cumulative Short List of Other Developments

- Legend**
- the Projects draft Order Limits
 - Local Authority Boundary
 - Cumulative Effects Assessment - Short List Development
 - Cumulative Effects Assessment - Short List Development
 - Sheet Outline

The location of all other developments is based on the level of information available prior to the last date for which information on other developments was obtained for the PEIR. Other developments which do yet have a confirmed location plan, a location centrepoints is shown. Where available boundaries have been made available for other developments, where this is not possible boundaries have been manually digitised

Notes
This drawing is scaled at paper size A3, therefore any prints taken at smaller sizes will affect accuracy of the measurement units and should not be scaled against.
