

Working on behalf of

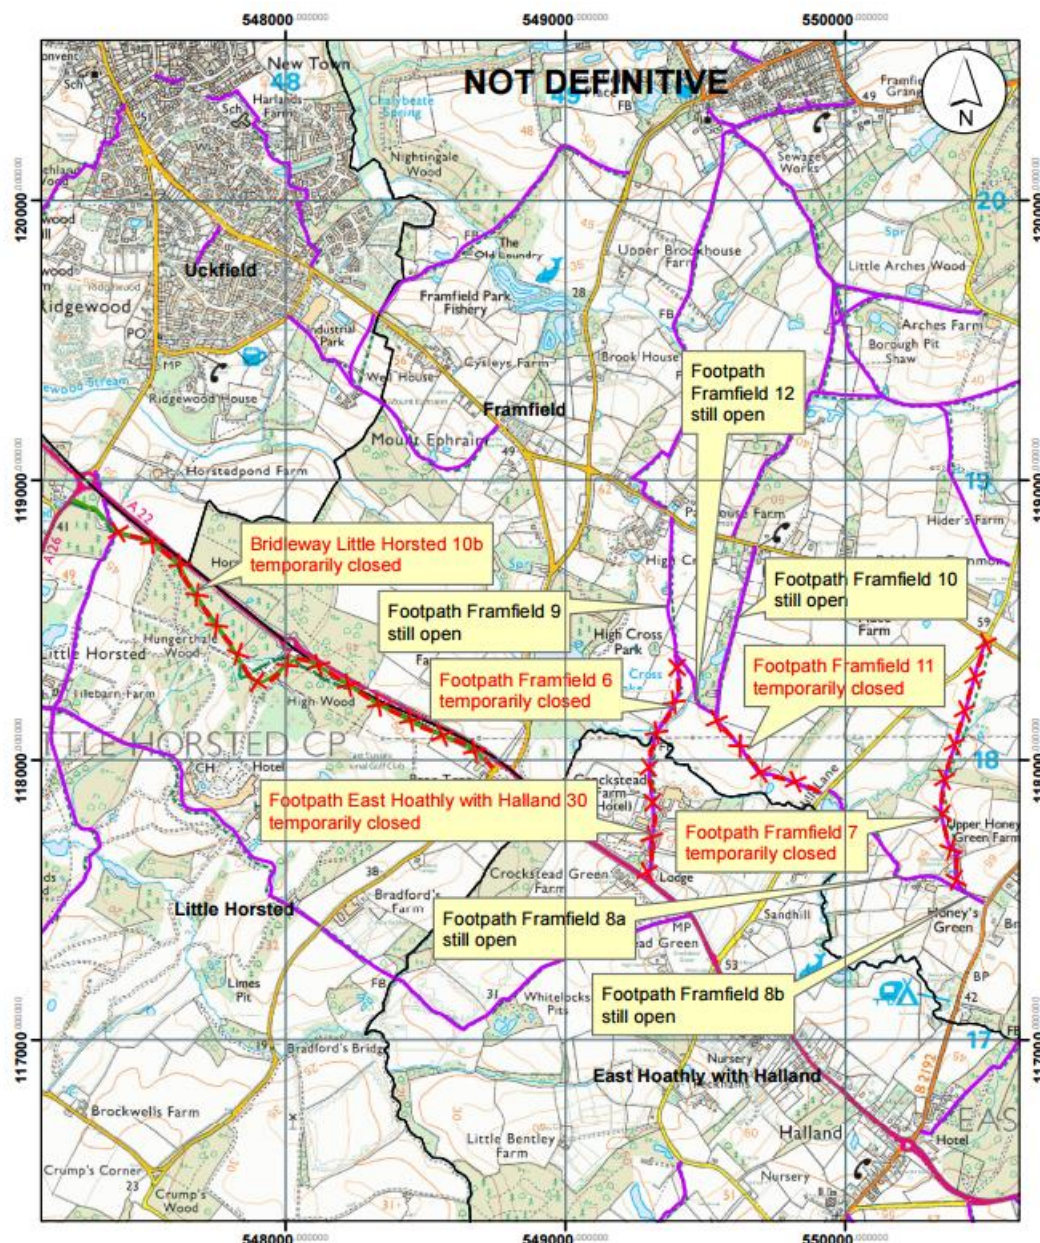

## FOOTPATH:

East Hoathly with Halland 30

EAST HOATHLY WITH HALLAND PARISH

EAST SUSSEX COUNTY COUNCIL

This footpath is impacted by overhead line works related to our new substation at Little Horsted between August and September 2025. It will be temporarily closed for user safety whilst overhead work takes place.

**Path to be temporarily closed: 1 August to 30 September 2025**

Please visit: <https://www.nationalgrid.com/electricity-transmission/network-and-infrastructure/little-horsted> to download this as a PDF

The temporary closure is in the interest of safety of users of this route whilst work is undertaken on the overhead lines and pylons adjacent to the path.

Please contact our Community Relations team if you have any queries about our work. The team is available Monday to Friday, 9am-5pm on 0800 073 1047 or you can email [nationalgridteam@jbp.co.uk](mailto:nationalgridteam@jbp.co.uk).
