**THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (SCOTLAND TO ENGLAND
GREEN LINK 1) GENERAL VESTING DECLARATION 2025**

**THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (SCOTLAND TO ENGLAND
GREEN LINK 1) GENERAL VESTING DECLARATION 2025**

This **GENERAL VESTING DECLARATION** is executed on the 17th day of JULY 2025 by National Grid Electricity Transmission plc ("the Authority").

WHEREAS:

- (1) On 1 August 2024 an order entitled The National Grid Electricity Transmission plc (Scotland to England Green Link 1) Compulsory Purchase Order 2023 ("the Order") was confirmed by the Secretary of State for Energy Security and Net Zero under the powers conferred on him by the Electricity Act 1989 authorising the Authority to acquire the land and rights specified in Parts 1 and 2 of the Schedule hereto.
- (2) Parts of the land and rights specified in Parts 1 and 2 of the Schedule hereto constitute open space under section 19 of the Acquisition of Land Act 1981.
- (3) Notice of the confirmation of the Order was first published in accordance with section 15 of the Acquisition of Land Act 1981 on 10 September 2024.
- (4) That notice included the statement and form prescribed under section 15(4)(e) and (f) of the Acquisition of Land Act 1981.

NOW THIS DEED WITNESSETH that, in exercise of the powers conferred on them by section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 ("the Act"), the Authority hereby declare –

- (1) The land specified in column (1) of, and described in column (2) of, Part 1 of the Schedule hereto (being part of the land authorised to be acquired by the Order) and more particularly delineated and shaded pink on the plans annexed hereto, together with the right to enter and take possession of the land, shall vest in the Authority as from the end of the period of 3 months from the date on which the service of notices required by section 6 of the Act is completed.
- (2) On the date on which it vests in the Authority, the land specified in column 1 of, and described in column 2 of, Part 1 of the Schedule hereto and more particularly delineated and shaded pink on the plans annexed hereto shall be discharged from all rights, trusts and incidents to which it was previously subject.
- (3) The rights specified in column (3) of Part 2 and described in Part 3 of the Schedule hereto, over the land specified in column (1) of, and described in column (2) of, Part 2 of the Schedule hereto (being part of the land authorised to be acquired by the Order) and more particularly delineated and shaded blue on the plans annexed hereto, together with the right to enter and take possession of the rights shall vest in the Authority as from the end of the period of 3 months from the date on which the service of notices required by section 6 of the Act is completed.
- (4) On the date on which the rights specified in column (3) of Part 2 of the Schedule hereby vest in the Authority, the land specified in column (1) of, and described in column (2) of, Part 3 of the Schedule hereto (being part of the land authorised to be acquired by the Order) and more particularly delineated and shaded blue on the plans annexed hereto shall be discharged from all rights, trusts and incidents to which it was previously subject so far as their continuance would be inconsistent with the rights specified in column (3) of Part 2 of the Schedule hereto.

- (5) The rights vested in the Authority by this Declaration (“the Vested Rights”) shall be exercisable by the Authority for the benefit of:

- a. the freehold property of the Authority being the existing electricity substation at Hawthorn Pit, Murton which is registered under Title Number YY168486 and was acquired pursuant to a conveyance dated 5 December 1966;
- b. each and every part of the Scotland to England Green Link 1 project in respect of which the Order was made; and
- c. the corporeal and incorporeal property comprised in the business undertaking of the Authority (the “Authority’s Undertaking”)

to the intent that the Vested Rights may be exercised by both the Authority, its successors in title assigns, lessees and those deriving title from them and all persons authorised by any of these in respect of the whole or any part of such property whether it is comprised in the Authority’s Undertaking or the business undertaking of any successor in title or statutory successor or assignees.

- (6) For the purposes of section 2(2) of the Act, the specified period in relation to the new rights comprised in the declaration is one year and one day.
- (7) The Authority hereby requests that the Chief Land Registrar:
- a. note the benefit of the Vested Rights acquired by the Authority by this declaration in the Property Register of the Acquiring Authority’s freehold property of the Authority being the freehold property of the Authority being the existing electricity substation at Hawthorn Pit, Murton which is registered under Title Number YY168486 and was acquired pursuant to a conveyance dated 5 December 1966, as soon as possible following the Vesting Date;
 - b. note the burden of any Vested Rights acquired by the Authority by this declaration in relation to a particular Plot in the Property Register of each owner’s registered title relating to that Plot as soon as possible following the Vesting Date; and
 - c. where the Plot in question is not registered land, to create a caution against such land protecting the Vested Rights acquired by the Authority by this declaration as soon as possible following the Vesting Date.

PART 3 – Description of the new rights

In Part 3 of this Schedule, the following terms shall have the following meaning:

“adjoining land” means land adjoining the land over which the acquiring authority has a lawful right to take access;

“Construction Period” means the period from and including the date of commencement of construction to the date twelve (12) months from and including the date of first Operation of the Project;

“electricity infrastructure” means the underground cables (including wires, earth wires, fibre optic cables and other communication cables, pipes, coatings and ducts), connections, cable draw pits, cable joints, cable marker posts, cable terminals, earth bonding and tape, drains, culverts, fibre optic pits, inspection boxes, trenches, marking bands, protective boards or tiles, jointing pits, link boxes, manholes, monitoring equipment, apparatus, conductors, supports, plant, equipment, pillars, warning tape, sheaths and other underground or overground equipment and apparatus associated with or ancillary to such underground cables

“electric lines” means the electric lines and conductors (including wires, earth wires, fibre optic cables and other communication cables, pipes, coatings and ducts and connections) for transmitting and/or distributing electricity at such voltage as NGET or other licenced operators may from time to time require for the purposes of its or their operations together with the tower(s) (if any) for supporting the same and any ancillary equipment and apparatus associated with or ancillary to such electric lines and conductors; and

“Operation” means operated as part of the high-voltage electricity transmission network serving Great Britain.

(1) Class of new rights	(2) Description of the new rights
Access Rights	All rights necessary to access the Order Land and adjoining land including to:

	<ul style="list-style-type: none"> a) access the Order Land and adjoining land for the purposes of constructing, installing, commissioning, inspecting, surveying, maintaining, repairing, altering, renewing, replacing and removing or decommissioning the electricity infrastructure, and carrying out de-watering and drainage works and installing, altering or reinstating land drainage systems, with or without vehicles, plant, machinery, apparatus, equipment, materials and personnel; b) to carry out works to facilitate such access including to construct, lay down, use and remove access roads including any necessary bridging, culverting or diversion of water courses and drains, modifying road verges and junctions and installing, using, altering, diverting, and removing services and utilities; c) to access the Order Land and adjoining land to use horizontal directional drilling, where appropriate, for the installation of the cables; d) to fell, trim or lop trees, shrubs, hedges and bushes and to clear and remove any and all vegetation which may damage, obstruct or interfere with the exercise of these Access Rights; e) to prevent and remove any works or use of the land which may interfere with or obstruct such access or the exercise of the Access Rights; f) to make good any damage caused in connection with the exercise of these Access Rights; and g) to carry out any activities ancillary or incidental thereto.
