Weston Marsh targeted consultation
November 2025

National Grid would like to hear your views on our proposals for two new substations at Weston Marsh, forming part of our proposals for Grimsby to Walpole.

Our targeted consultation launches at 12 noon on Tuesday 18 November and ends at 11:59pm on Friday 19 December 2025.

Your feedback will help us shape the proposal. You can learn more about our proposals and provide feedback by visiting our Project website, by joining us at one of the events or by visiting a local information point.

Webinar:
We will be hosting a webinar about our proposals. You can register for this on the project website, or by contacting us via phone or email. Below are the details of the event:
