## 1A.1 Introduction

- 1A.1.1

The Supplementary Preliminary Environmental Information (PEI) Report and supplementary materials produced for the Grimsby to Walpole Project (the Project) have been prepared by a team of competent experts. The team is made up of technical specialists working at leading consultancies who have extensive experience in Environmental Impact Assessment (EIA) processes for a variety of major projects. The individual experts can demonstrate their competence through degree level qualifications, members of relevant professional institutions and practical experience in undertaking EIAs.
- 1A.1.2

**Table 1A.1** outlines the team, their qualifications and membership of relevant professional institutions.

Table 1A.1 Credentials of the experts responsible for the Grimsby to Walpole Supplementary Preliminary Environmental Information documents

Discipline	Credentials
<b>Landscape</b> Sarah Gibson (Gillespies)	32 years' experience in routeing/siting and landscape and visual impact assessment for major infrastructure projects BSc (Hons) Geology MLD Landscape Architecture Fellow of the Landscape Institute Chartered Landscape Architect
<b>Visual</b> Helen Johnson (Gillespies)	24 years' experience in landscape and visual impact assessment for major linear infrastructure projects BA (Hons) Landscape Architecture Bachelor of Landscape Architecture Chartered Member of the Landscape Institute
