More delays for Powerhouse Rail

Paul Hirst

Yorkshire's transport correspondent

AN announcement is expected in the coming weeks that the Government will be delaying the start of the £10.2bn Powerhouse Rail project, which will connect the Midlands and the South of England, to 2027. The delay is expected to be at least two years, according to sources familiar with the project. The delay is expected to be at least two years, according to sources familiar with the project.

Long-awaited plan for high-speed links across North still not agreed in time for Budget, sources reveal

It is expected that the Government will be delaying the start of the £10.2bn Powerhouse Rail project, which will connect the Midlands and the South of England, to 2027. The delay is expected to be at least two years, according to sources familiar with the project.
