

THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (WEST BURTON TO RATCLIFFE-ON-SOAR REFURBISHMENT PROJECT) COMPULSORY PURCHASE ORDER 2026

THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (WEST BURTON TO RATCLIFFE-ON-SOAR REFURBISHMENT PROJECT) COMPULSORY PURCHASE ORDER 2026

THE ELECTRICITY ACT 1989 AND THE ACQUISITION OF LAND ACT 1981

National Grid Electricity Transmission plc (company registration number 02366977) in this Order called the “Acquiring Authority” makes the following Order -

- 1 Subject to the provisions of this Order, the Acquiring Authority is under section 10 of and paragraph 1 of Schedule 3 to the Electricity Act 1989 ("the 1989 Act") hereby authorised to purchase compulsorily the land and the new rights in, on, under or over land described in paragraphs 2 and 3 for the purpose of carrying on the activities authorised by its transmission licence under the 1989 Act, and more particularly for the purpose of refurbishing the existing overhead electric lines and replacing underground cables between West Burton and Ratcliffe-on-Soar and associated works.
- 2 The land authorised to be purchased compulsorily under this Order is described in Table 1 of Schedule 1 hereto and delineated and shown coloured pink and edged red on a map prepared in duplicate, sealed with the common seal of the Acquiring Authority and marked "Map referred to in the National Grid Electricity Transmission PLC (West Burton to Ratcliffe-on-Soar Refurbishment Project) Compulsory Purchase Order 2026".
- 3 The new rights authorised to be purchased compulsorily in, on, under or over land under this Order are described in Table 1 of Schedule 1 hereto in accordance with the definitions set out at paragraph 8 below and delineated and shown coloured light blue and edged red on a map prepared in duplicate, sealed with the common seal of the Acquiring Authority and marked "Map referred to in the National Grid Electricity Transmission plc (West Burton to Ratcliffe-on-Soar Refurbishment Project) Compulsory Purchase Order 2026".
- 4 Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 are hereby incorporated with this Order subject to the modifications that references in Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 to “the undertaking” shall be construed as including the works to be constructed and used by the Acquiring Authority in, on, over and under the land subject to this Order.
- 5 The Acquiring Authority may not serve a notice to treat or execute a general vesting declaration in respect of this Order after the end of the period of three years beginning with the day on which the compulsory purchase order becomes operative.
- 6 Where pursuant to this Order a new right is acquired by the Acquiring Authority it shall be exercisable at all times by the Acquiring Authority, its successors in title, lessees, licensees, assigns and those deriving title from them and all persons authorised by any of these.
- 7 In the Schedules to this Order, where a party’s interest has already been identified and described in a plot then if they are identified in a later plot their address has not been repeated.
- 8 In Table 1 of Schedule 1 to this Order, the following terms shall have the following meaning:

“**electric cables**” means the underground cables (including wires, earth wires, fibre optic cables and other communication cables, pipes, coatings and ducts), connections, cable draw pits, cable joints, cable marker posts, cable terminals, earth bonding and tape, drains, culverts, fibre optic pits, inspection boxes, trenches, marking bands, protective boards or tiles, jointing pits, link boxes, link pillars, manholes, monitoring equipment, apparatus, conductors, supports, plant, equipment, pillars, warning tape, sheaths for transmitting and/or distributing electricity at such voltage as the Acquiring Authority or other licenced operators may from time to time require for the purposes of its or their operations together with other underground or overground equipment and apparatus associated with or ancillary to such underground cables.

THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (WEST BURTON TO RATCLIFFE-ON-SOAR REFURBISHMENT PROJECT) COMPULSORY PURCHASE ORDER 2026

“electric lines” means the electric lines and conductors (including wires, earth wires, fibre optic cables and other communication cables, pipes, coatings and ducts and connections) for transmitting and/or distributing electricity at such voltage as the Acquiring Authority or other licenced operators may from time to time require for the purposes of its or their operations together with the towers (if any) for supporting the same and any ancillary equipment and apparatus associated with or ancillary to such electric lines and conductors.

Rights	Description of Rights
Cabling Rights	All rights necessary at all times for the purposes of or incidental to the construction, laying, placing, retention, use, operation, protection, maintenance, surveying, testing, repair, renewal, replacement, alteration, commissioning, removal and decommissioning of the electric cables and associated infrastructure, including rights to: (a) access the land and adjoining land with or without vehicles, personnel and plant, machinery, apparatus, equipment and materials for such purposes; (b) construct and install the electric cables in, on, under or over the land, including using trenchless techniques such as horizontal directional drilling; (c) test and commission the electric cables installed in, on, under or over the land and to remedy faults and defects in it; (d) carry out de-watering and drainage works and construct, install, retain, make use of, inspect, cleanse, maintain, repair, alter, reinstate, renew, replace or remove land drainage systems; (e) enter the land and carry out surveys and investigations, including aerial surveys (including the right to fly an unmanned aircraft over the land and to enter and retrieve and recover any such unmanned aircraft from the land); (f) protect and prevent damage to or interference with the electric cables including its construction, operation and maintenance; (g) fell, trim or lop trees, shrubs, hedges and bushes and to clear and remove any and all vegetation which may damage, obstruct or interfere with the electric cables and the exercise of the Cabling Rights; (h) prevent and remove any works on or use of the land that would prevent access to or the operation and maintenance of the electric cables and the exercise of the Cabling Rights; (i) prevent changes to the use, or level of the surface of, the land or any other works or excavations which may endanger the stability, safety and integrity of the electric cables or the exercise of these Cabling Rights; (j) make good any damage caused in connection with the exercise of these Cabling Rights; (k) rights of support for the electric cables; (l) carry out archaeological works and environmental and/or ecological mitigation; (m) carry out works required or permitted by a planning permission and/or consent or licences; (n) erect and remove fencing; (o) store and stockpile and where necessary use, manage and process plant, machinery, apparatus, and materials (including excavated material) and/or equipment;

THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (WEST BURTON TO RATCLIFFE-ON-SOAR REFURBISHMENT PROJECT) COMPULSORY PURCHASE ORDER 2026

Rights	Description of Rights
	(p) construct, lay down, use and remove access roads including any necessary temporary bridging, culverting or diversion of water courses and drains, modifying road verges and junctions; (q) discharge water into existing drains and watercourses; (r) prevent and remove any works on or use of the land that may interfere with or obstruct the exercise of the electric cables; (s) install, use and remove artificial lighting; erect, create, use and remove a works compound which may include hardstanding, portable cabins and offices, security measures, parking of vehicles and welfare facilities including portable toilets and electricity generators; (t) install, use, alter, divert and remove services and utilities; (u) carry out any activities ancillary or incidental thereto, and rights to prevent and remove any use of the land or works, goods, materials, buildings, structures, plant, equipment, machinery or other items which may damage, cause injury to or interfere with the electric cables or obstruct such access or the exercise of these Cabling Rights.
Access Rights	All rights necessary to access the land and adjoining land for the purposes of the construction, installation, upgrading, retention, commissioning, use, operation, protection, maintenance, surveying, testing, inspecting, alter, repair, modify, renewal, replacement, removal, decommissioning and oversail of the electric lines and electric cables , with or without vehicles, plant, machinery, apparatus, equipment, materials and personnel, including to: (a) establish, use and remove works compounds; (b) park any vehicles and machinery on the land; (c) carry out de-watering and drainage works and installing, altering, using, maintaining, removing or reinstating land drainage systems; (d) carry out works to facilitate such access including to construct, lay down, use and remove access roads including any necessary bridging, culverting or diversion of water courses and drains, modifying road verges and junctions and installing, using, altering, diverting, and removing services and utilities and erecting and removing of any necessary fencing, safety and security measures; (e) use horizontal direction drilling, where appropriate, for the installation of electric cables; (f) fell, trim or lop trees, shrubs, hedges bushes, crops and other vegetation and to clear and remove any and all vegetation which may damage, obstruct or interfere with the exercise of these Access Rights; (g) carry out replanting and replacement of landscaping, ecological and/or environmental measures; (h) make good any damage caused in connection with the exercise of these Access Rights; and (i) carry out any activities ancillary or incidental thereto.

THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (WEST BURTON TO RATCLIFFE-ON-SOAR REFURBISHMENT PROJECT) COMPULSORY PURCHASE ORDER 2026

Rights	Description of Rights
	and rights to prevent and remove any use of the land or works, goods, materials, buildings, structures, plant, equipment, machinery or other items which may damage, cause injury to or interfere with the electric lines or electric cables or obstruct such access or the exercise of these Access Rights.
Overhead Line Rights	All rights necessary at all times for the purposes of or incidental to the construction, installation, upgrading, retention, commissioning, use, operation, protection, maintenance, surveying, testing, inspecting, alter, repair, modify, renewal, replacement, removal and decommissioning of the electric lines and associated infrastructure including to: (a) take all necessary rights of support for the electric lines; (b) test and commission the electric lines and to remedy initial faults and defects in them at any time; (c) install, use, maintain, repair, reinstate and remove protection measures for third party structures/assets, including scaffolding; (d) enter the land and carry out surveys and investigations, including aerial surveys (including the right to fly an unmanned aircraft over the land and to enter and retrieve and recover any such unmanned aircraft from the land); (e) prevent or restrict access to the land and adjoining land while works are being carried out; (f) carry out archaeological works, replanting and replacement of landscaping, environmental and/or ecological mitigation and create, use, maintain, inspect and remove ecological mitigation measures; (g) carry out works required by the contractor by licences or consents or permitted by a planning permission and/or consent or licences; (h) erect and remove fencing; (i) erect hoardings or signage or otherwise secure a works compound or working area; (j) store and stockpile and where necessary use, manage and process plant, machinery, apparatus, and materials (including excavated material) and/or equipment; (k) enter, oversail and remain on the land and adjoining land with or without vehicles, personnel, plant, machinery, apparatus, equipment and materials for such purposes including the parking of any vehicles and machinery; (l) construct, lay down, use and remove access roads including any necessary temporary bridging, culverting or diversion of water courses and drains, modifying road verges and junctions and installing, using, altering, diverting, and removing services and utilities; (m) carry out de-watering and drainage works and install, alter, use, maintain, reinstate or remove land drainage systems; (n) discharge water into existing drains and watercourses; (o) protect and prevent damage to or interference with the operation and maintenance of any de-watering and/or drainage works;

THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (WEST BURTON TO RATCLIFFE-ON-SOAR REFURBISHMENT PROJECT) COMPULSORY PURCHASE ORDER 2026

Rights	Description of Rights
	(p) protect and prevent damage to or interference with the operation and maintenance of the electric lines and construction of the same; fell, trim or lop trees, shrubs, hedges, bushes, crops and other vegetation and to clear and remove any and all vegetation which may damage, obstruct or interfere with the exercise of these Overhead Line Rights or access to the electric lines; (q) erect, create, use and remove a works compound which may include hardstanding, portable cabins and offices, security measures, parking of vehicles and welfare facilities including portable toilets and electricity generators; ; (r) install, use and remove artificial lighting; (s) install, use, alter, divert and remove services and utilities; (t) prevent changes to the use, or level of the surface of, the land or any other works or excavations which may endanger the stability, safety and integrity of the electric lines and the associated infrastructure or the exercise of these Overhead Line Rights; (u) make good any damage caused in connection with the exercise of these Overhead Line Rights; (v) carry out incidental works to allow safe access to the electric lines such as vegetation clearance and bird nest removal; (w) apply a temporary electricity earthing system to electric lines; (x) replace permanent Colour Plates on electric lines; and (y) carry out any activities ancillary or incidental thereto. and rights to prevent and remove any use of the land or works, goods, materials, buildings, structures, plant, equipment, machinery or other items which may damage, cause injury to or interfere with the electric lines or obstruct such access or the exercise of these Overhead Line Rights.
Construction Compound Rights	All rights necessary for the purposes of or incidental to the establishment, use and removal of works compounds associated with the construction, commissioning and decommissioning of the electric lines and electric cables, including to: (a) erect, create, use and remove a works compound which may include hardstanding, portable cabins and offices, security measures, parking of vehicles and welfare facilities including portable toilets and electricity generators; (b) store, stockpile and where necessary use, manage and process plant, machinery, apparatus, materials (including excavated material) and/or equipment; (c) access the land and adjoining land with or without vehicles, personnel and plant, machinery, apparatus, equipment and materials for such purposes; (d) fence, erect hoardings or signage or otherwise secure the compound; (e) carry out de-watering and drainage works and install, alter or reinstate land, drainage systems; (f) discharge water into existing drains and watercourses;

THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (WEST BURTON TO RATCLIFFE-ON-SOAR REFURBISHMENT PROJECT) COMPULSORY PURCHASE ORDER 2026

Rights	Description of Rights
	(g) install, use and remove artificial lighting; (h) park vehicles; (i) protect and prevent damage to or interference with the operation and maintenance of any works constructed pursuant to these Construction Compound Rights; (j) fell, trim or lop trees, shrubs, hedges and bushes and to clear and remove any and all vegetation which may damage, obstruct or interfere with the exercise of these Construction Compound Rights; (k) install, use, alter, divert and remove services and utilities; (l) the right to erect, repair, reinstate and remove temporary scaffolding; (m) carry out archaeological, environmental and/or ecological mitigation measures; (n) make good any damage caused in connection with the exercise of these Construction Compound Rights; and (o) carry out any activities ancillary or incidental thereto, and rights to prevent and remove any works or use of the land which may interfere with or obstruct such access or the exercise of these Construction Compound Rights.
Oversail Rights	All rights necessary at all times with plant and equipment from the air to oversail the land with electric lines and associated infrastructure associated with the exercise of the Overhead Line Rights, Construction Compound Rights and Access Rights including rights to: (a) fly a small uncrewed aircraft over the land for the purpose of carrying out inspections of the electric lines which are at ground level or above and to acquire data in respect of the land during the flight provided that the acquiring authority is to act in compliance with Civil Aviation Authority guidance as may be in place for such use from time to time; (b) enter any part of the land to retrieve and recover any small, unmanned aircraft; (c) protect and prevent damage to or interference with the operation and maintenance of the electric lines and construction of the same; (d) to use the electric lines; (e) make good any damage caused in connection with the exercise of these Oversail Rights; and (f) carry out any activities ancillary or incidental thereto
