7.C. Cultural Heritage Gazetteer

7.C.1 Introduction

7.C.1.1 This Appendix accompanies **Volume 2, Part 1, Chapter 7: Cultural Heritage** and provides the data used to support production of **Volume 2, Part 1: Appendix 7.B: Cultural Heritage Baseline**.

7.C.1.2 The tables set out below provide locations, names, reference numbers, and outline descriptions for each of the heritage assets within the baseline for the cultural heritage assessment.

Study Areas

7.C.1.3 In line with the EIA Scoping Report, Chapter 7, tables are provided for each of the study areas set out, as follows:

- **Table 7.C-1: Heritage Assets within the Site;**
- **Table 7.C-2: Heritage Assets within Study Area A (500 m from the draft Order Limits);**
- **Table 7.C-3: Heritage Assets within Study Area B (between 500 m and 1 km from the draft Order Limits);**
- **Table 7.C-4: Heritage Assets within the Indicative Zone for the Convertor Station;**
- **Table 7.C-5: Heritage Assets within the Extended Study Area A (1 km from the Indicative Zone for the Convertor Station); and**
- **Table 7.C-6: Designated Heritage Assets within Extended Study Area B (between 1 km and 3 km of the Indicative Zone for the Convertor Station).**
