12.B. Baseline Conditions

Table 12.B-1 Highway link characteristics

Highway link name	A157 / B1373 / A1104
Construction Access Route	N/A
Link no.	1
Description	The link connects the B1200 Manby Road to the A1111 Bilsby Road. It is a single carriageway road with one lane in each direction.
Maximum speed limit	60
Street lighting	There are isolated sections with street lighting at Legbourne, South Reston, and the northern approach to Alford.
Bus route	Yes (in part).
Character	Rural, with housing concentrated in the villages of Legbourne and South Reston, and isolated agricultural businesses.
On-carriageway parking.	No
Walking infrastructure	A footway is adjacent to the carriageway in Legbourne, South Reston, Withern, and Alford. Several public footpaths intersect the link.
Cycling infrastructure	No
Horse-riding infrastructure.	A public bridleway intersects the link south of Woodthorpe Garden Centre. A public bridleway is in proximity to the link at North Reston.
Highway link name	A157 Kenwick Hill
Construction Access Route	N/A
Link no.	2
Description	The link connects the A16 Louth Bypass to the B1200 Manby Road. It is a single carriageway road with one lane in each direction.
Maximum speed limit	60

Highway link name	A157 Kenwick Hill
Street lighting	Only at the A16 / A157 roundabout and the A157 / B1200 roundabout.
Bus route	Yes (in part).
Character	Rural
On-carriageway parking.	No
Walking infrastructure	One public footpath intersects the link in proximity to the access road for Kenwick Park Hotel.
Cycling infrastructure	No
Horse-riding infrastructure.	No

Highway link name	A16 London Road
Construction Access Route	N/A
Link no.	3
Description	The link connects the A16 Louth Bypass to the A1028 Main Road and A1104 Miles Cross Hill. It is a single carriageway road with one lane in each direction.
Maximum speed limit	60
Street lighting	There are isolated sections with street lighting at the A16 / A157 roundabout, Burwell, Swaby, and the A16 / A1028 / A1104 roundabout.
Bus route	Yes (in part).
Character	Rural, with isolated housing in Burwell and Swaby and isolated agricultural businesses.
On-carriageway parking.	No
Walking infrastructure	A footway is adjacent to the carriageway in Burwell and Swaby. Several public footpaths intersect the link.
Cycling infrastructure	No
Horse-riding infrastructure.	Two public bridleways intersect the link: one at Walmsgate and one near Calceby.

Highway link name	A1104
Construction Access Route	N/A
Link no.	4
Description	The link connects the A16 London Road to the A1111 Bilsby Road. It is a single carriageway road with one lane in each direction.
Maximum speed limit	60
Street lighting	There is street lighting in Alford and at the A16 / A1028 / A1104 roundabout.
Bus route	Yes
Character	Rural between the A16 / A1028 / A1104 roundabout. Urban in Alford.
On-carriageway parking.	Yes, in Alford.
Walking infrastructure	Footways are adjacent on both sides of the carriageway in Alford. The link is intersected by a small number of public footpaths.
Cycling infrastructure	No
Horse-riding infrastructure.	No

Highway link name	A1111 Alford Road
Construction Access Route	N/A
Link no.	5
Description	The link connects the A1104 East Street to the B1449 Thurlby Road. It is a single carriageway road with one lane in each direction.
Maximum speed limit	40
Street lighting	There is street lighting in Bilsby.
Bus route	Yes
Character	Rural / semi-rural, with housing adjacent in Alford and Bilsby.
On-carriageway parking.	No
Walking infrastructure	A footway is adjacent to the carriageway. Two public footpaths intersect the link.

Highway link name	A1111 Alford Road
Cycling infrastructure	No
Horse-riding infrastructure.	No

Highway link name	B1449 Thurlby Road
Construction Access Route	N/A
Link no.	6
Description	The link connects the A1111 Alford Road to Huttoft Road. It is a single carriageway road with one lane in each direction.
Maximum speed limit	60
Street lighting	There is street lighting in Bilsby.
Bus route	Yes
Character	Rural, with housing concentrated in Bilsby and isolated agricultural businesses.
On-carriageway parking.	No
Walking infrastructure	A footway is adjacent to the carriageway in Bilsby. Three public footpaths intersect with the link.
Cycling infrastructure	No
Horse-riding infrastructure.	No

Highway link name	B1449 Long Lane
Construction Access Route	N/A
Link no.	7
Description	The link connects the A52 Mumby Road to Huttoft Road. It is a single carriageway road with one lane in each direction, except for a short section at the junction with Alford Road and the bridge over the disused railway line, where there is one lane and traffic is controlled by signals.
Maximum speed limit	60
Street lighting	No
Bus route	Yes
Character	Rural

Highway link name	B1449 Long Lane
On-carriageway parking.	No
Walking infrastructure	One public footpath intersects the link.
Cycling infrastructure	No
Horse-riding infrastructure.	No

Highway link name	A52 Mumby Road
Construction Access Route	N/A
Link no.	8
Description	The link connects the B1449 Long Lane to Rectory Road. It is a single carriageway road with one lane in each direction.
Maximum speed limit	50
Street lighting	No
Bus route	Yes
Character	Rural
On-carriageway parking.	No
Walking infrastructure	Two footpaths intersect the link.
Cycling infrastructure	No
Horse-riding infrastructure.	No

Highway link name	Sea Road / Rectory Road
Construction Access Route	N/A
Link no.	9
Description	The link connects the A52 Mumby Road to Roman Bank. It is a single carriageway road with one lane in each direction.
Maximum speed limit	60
Street lighting	No
Bus route	Yes
Character	Rural, with a small concentration of housing in Anderby.

Highway link name	Sea Road / Rectory Road
On-carriageway parking.	No
Walking infrastructure	The link is intersected by several public footpaths.
Cycling infrastructure	No
Horse-riding infrastructure.	No

Highway link name	Roman Bank / Huttoft Bank
Construction Access Route	N/A
Link no.	10
Description	The link connects Sea Road to Sea Lane. It is a single carriageway road with one lane in each direction.
Maximum speed limit	60
Street lighting	No
Bus route	Yes
Character	Rural
On-carriageway parking.	No
Walking infrastructure	Several public footpaths intersect with the link.
Cycling infrastructure	No
Horse-riding infrastructure.	No

Highway link name	Sea Lane
Construction Access Route	N/A
Link no.	11
Description	The link connects the A52 Sutton Road to Huttoft Bank. It is a single carriageway road with one lane in each direction. However, it is relatively narrow with no road markings.
Maximum speed limit	60
Street lighting	No
Bus route	No
Character	Rural

Highway link name	Sea Lane
On-carriageway parking.	No
Walking infrastructure	One public footpath intersects the link.
Cycling infrastructure	No
Horse-riding infrastructure.	No

Highway link name	A52 Sutton Road
Construction Access Route	N/A
Link no.	12
Description	The link connects Rectory Road to the A1111 Alford Road (Sutton-on-Sea). It is a single carriageway road with one lane in each direction.
Maximum speed limit	60
Street lighting	There is streetlighting in Huttoft.
Bus route	Yes
Character	Rural, with housing concentrated in Huttoft and isolated agricultural businesses.
On-carriageway parking.	No
Walking infrastructure	The link is intersected by several public footpaths. A public footpath runs parallel to the link between Mill Lane and Sea Lane.
Cycling infrastructure	No
Horse-riding infrastructure.	No

Highway link name	Huttoft Road
Construction Access Route	N/A
Link no.	13
Description	The link connects the B1449 Thurlby Road to the A52 Sutton Road. It is a single carriageway road with one lane in each direction. However, it is relatively narrow with no road markings.
Maximum speed limit	60
Street lighting	There is a short section with street lighting in Huttoft.

Highway link name	Huttoft Road
Bus route	No
Character	Rural
On-carriageway parking.	No
Walking infrastructure	There is a short section of footway adjacent to the carriageway in Huttoft. Three public footpaths intersect with the link.
Cycling infrastructure	No
Horse-riding infrastructure.	No

Highway link name	Huttoft Footpath 9/1¹
Construction Access Route	N/A
Link no.	14
Description	The link provides access from Roman Bank to a public car park. It is a single carriageway road with one lane.
Maximum speed limit	60
Street lighting	No
Bus route	No
Character	Rural
On-carriageway parking.	No
Walking infrastructure	A footpath is routed along the link.
Cycling infrastructure	No
Horse-riding infrastructure.	No

Highway link name	Mill Lane, Huttoft
Construction Access Route	N/A
Link no.	15
Description	The link provides access to isolated residential and farm properties. It is a single carriageway road with one lane.
Maximum speed limit	60

¹ Link has sealed tarmac surface and a Unique Street Reference Number (USRN), indicating that it is a road.

Highway link name	Mill Lane, Huttoft
Street lighting	No
Bus route	No
Character	Rural
On-carriageway parking.	No
Walking infrastructure	Three public footpaths intersect the link.
Cycling infrastructure	No
Horse-riding infrastructure.	No

Highway link name	Crawcroft Lane
Construction Access Route	N/A
Link no.	16
Description	The link connects the A1111 Sutton Road to the A52 Sutton Road. It is a single carriageway road with one lane.
Maximum speed limit	60
Street lighting	No
Bus route	No
Character	Rural
On-carriageway parking.	No
Walking infrastructure	The link is intersected by one public footpath.
Cycling infrastructure	No
Horse-riding infrastructure.	No

Highway link name	A1111 Sutton Road
Construction Access Route	N/A
Link no.	17
Description	The link connects the B1449 Thurlby Road to the A52 Station Road. It is a single carriageway road with one lane in each direction.
Maximum speed limit	60
Street lighting	There is a short section with street lighting at Bilsby.

Highway link name	A1111 Sutton Road
Bus route	Yes
Character	Rural, with housing concentrated in the villages of Bilsby, Markby, and Hannah, and isolated agricultural businesses.
On-carriageway parking.	No
Walking infrastructure	A footway is adjacent to the carriageway Bilsby.
Cycling infrastructure	No
Horse-riding infrastructure.	No

Highway link name	Asserby Road
Construction Access Route	N/A
Link no.	18
Description	The link connects the A1111 Sutton Road to Crawcroft Lane. It is a single carriageway road with one lane.
Maximum speed limit	60
Street lighting	No
Bus route	No
Character	Rural
On-carriageway parking.	No
Walking infrastructure	The link is intersected by one public footpath.
Cycling infrastructure	No
Horse-riding infrastructure.	No

Highway link name	Track off Roman Bank²
Construction Access Route	N/A
Link no.	19
Description	The link provides access to Huttoft Beach and agricultural land. It is single track and unsealed.
Maximum speed limit	60

² The link has a USRN, indicating that it is a road.

Highway link name	Track off Roman Bank²
Street lighting	No
Bus route	No
Character	Rural
On-carriageway parking.	No
Walking infrastructure	A public footpath is routed along the link.
Cycling infrastructure	No
Horse-riding infrastructure.	No

Highway link name	Mill Lane, Saleby
Construction Access Route	N/A
Link no.	20
Description	The link provides access to Saleby and agricultural properties. It is single track.
Maximum speed limit	60
Street lighting	No
Bus route	No
Character	Rural
On-carriageway parking.	No
Walking infrastructure	No
Cycling infrastructure	No
Horse-riding infrastructure.	No
