**NOT ENROLLED IN A HEALTH
PLAN:**

Member(s)**Marketplace ID:**

You do not qualify to select a health plan outside of the open enrollment period. You must have a qualifying event to enroll in a plan outside of open enrollment.

Marketplace ID:

If you have a monthly premium, you will receive a bill from your health plan. You must pay the monthly premium to start and keep your coverage. You will receive information about benefits and your health plan identification card directly from your health plan.

Important Information about your Child Health Plus premiums:

- NY State of Health calculates premiums based on tax household. Children who live in the same home may have different premium amounts.
- For families who pay a reduced premium and have more than three children enrolled in Child Health Plus, monthly premiums are capped at three children who live in the same home. The additional children are covered but have no premium.
