

NYS Clean Heat Priority Electrification Incentives

If you have a gas-heating account in any of the zip codes listed below, **you may be eligible for an additional 25% incentive** on the installation of a new, high efficiency heat pump system. Talk to a NYS Clean Heat participating contractor to explore what heat pump solution is right for you and estimate what your final incentive could be. Eligible equipment includes:

- Air-to-Water Heat Pumps
- Central Air-source Heat Pumps
- Ground-Source Heat Pumps (Geothermal)
- Mini-split heat pumps

Customers in these highlighted locations may also qualify to get an additional bonus incentive up to \$5,000. Talk to a Participating Contractor about eligibility.
