Note 1 - Surcharge is applicable to all usage including NYPA, RNY and EJP qualifying usage.

Note 2 - Surcharge is applicable to all usage including NYPA and RNY contract deliveries but is not applicable to Excelsior Jobs Program (EJP) qualifying usage.

Note 3 - 'Yes' on this line indicates the rate changed this month and the billed rate will be the proration of the customer's bill days at the previous month's rate and bill days at this month's rate.

Note 4 - SC7 surcharges are billed on Contract Demand kW, with the exception of the Proactive Planning Surcharge which is billed on As Used Daily Demands. SC7 surcharge rates are based on the parent class surcharge rate adjusted by the Contract Demand Multiplier.

Note 5 - Non-Wires Alternative Surcharge (Rule 45), Reliability Services Surcharge (Rule 50) and Incremental Energy Efficiency Surcharge (Rule 69) do not currently have filed rates.

Rates shown above are exclusive of gross receipts taxes.
