

THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (CHESTERFIELD TO HIGH MARNHAM REFURBISHMENT PROJECT) COMPULSORY PURCHASE ORDER 2026

THE ELECTRICITY ACT 1989

THE ACQUISITION OF LAND ACT 1981

National Grid Electricity Transmission plc (company registration number 02366977) in this order called the “Acquiring Authority” makes the following Order –

1. Subject to the provisions of this Order, the Acquiring Authority is under section 10 of, and paragraph 1 of Schedule 3 to, the Electricity Act 1989 hereby authorised to purchase compulsorily the land and the new rights in, on, under or over land described in paragraphs 2 and 3 (“Order Land”) for the purposes of carrying on activities authorised by its licence under the Electricity Act 1989 and more particularly for the purposes of:
 - i. uprating of the existing overhead electric line between Chesterfield and High Marnham from 275kV to 400kV;
 - ii. construction of two new 400kV substations at Chesterfield and High Marnham;
 - iii. overhead line tie in works at High Marnham and Chesterfield substations; and
 - iv. removal of associated redundant infrastructure and overhead lines,together with related apparatus, works and infrastructure to facilitate the transmission of electricity within and across the network.
2. The land authorised to be purchased compulsorily under this Order is described in Table 1 of Schedule 1 and the land is shown coloured pink and edged red on maps consisting of 29 sheets prepared in duplicate, executed on behalf of the Acquiring Authority and marked “Map referred to in The National Grid Electricity Transmission plc (Chesterfield to High Marnham Refurbishment Project) Compulsory Purchase Order 2026”.
3. The new rights authorised to be purchased compulsorily in, on, under or over land under this Order are described in Table 1 of Schedule 1 in accordance with the definitions at paragraph 8 below. The land over which those new rights are to be compulsorily purchased is shown coloured blue and edged red on the said maps.
4. Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 are hereby incorporated with this Order subject to the modifications that references in Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 to “the undertaking” shall be construed as including the works to be constructed and used by the Acquiring Authority in, on, over and under the land subject to this Order.
5. The Acquiring Authority may not serve a Notice to Treat or execute a General Vesting Declaration in respect of this Order after the end of the period of three years beginning with the day on which the compulsory purchase order becomes operative.

THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (CHESTERFIELD TO HIGH MARNHAM REFURBISHMENT PROJECT) COMPULSORY PURCHASE ORDER 2026

6. Where pursuant to this Order a new right is acquired by the Acquiring Authority it shall be exercisable at all times by the Acquiring Authority, its successors in title, lessees, licensees, assigns and those deriving title from them and all persons authorised by any of these.
7. In the Schedules to this Order, where a party's interest has already been identified and described in a plot, then, if they are identified in a later plot, their address has not been repeated.
8. In Table 1 of Schedule 1 to this Order, the following terms shall have the following meanings:

"Authorised Project" means

- i. uprating of the existing overhead electric line between Chesterfield and High Marnham from 275kV to 400kV;
- ii. construction of two new 400kV substations at Chesterfield and High Marnham;
- iii. overhead line tie in works at High Marnham and Chesterfield substations; and
- iv. removal of associated redundant infrastructure and overhead lines,

together with related apparatus, works and infrastructure to facilitate the transmission of electricity within and across the network.

"electric lines" means the electric lines and conductors (including wires, earth wires, fibre optic cables and other communication cables, pipes, coatings, ducts and connections) for transmitting and/or distributing electricity at such voltage as the Acquiring Authority or other licensed operators may from time to time require for the purposes of its or their operations, together with the tower(s) (if any) for supporting the same and any ancillary equipment and apparatus associated with or ancillary to such electric lines and conductors.

"Order Land" means the land and rights described in paragraphs 2 and 3 of the Order.

"utilities" means all existing, new, diverted, relocated or replacement services and supplies of water, sewerage, surface water and land drainage, electricity, gas, telecommunications and fibre optic cabling (whether owned or operated by a statutory undertaker, licensed operator, electronic communications code operator, the Acquiring Authority or any other person) together with all pipes, sewers, drains, mains, ducts, conduits, flues, cables, wires, electric lines (as defined in paragraph 8) and electric cables, towers, poles, stays, chambers, manholes, valves, meters, kiosks, enclosures, cathodic protection systems, marker posts, protective slabs and tiles and other apparatus and installations connected therewith required for or affected by the Authorised Project whether situated in, on, over, or under, or adjacent to the Order Land and including any fixings and protective housing and all ancillary apparatus relating thereto.

THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (CHESTERFIELD TO HIGH MARNHAM REFURBISHMENT PROJECT) COMPULSORY PURCHASE ORDER 2026

Rights	Description of Rights
Access Rights	<p>All rights necessary to access, pass and re-pass over the Order Land and adjoining land with or without vehicles, plant, machinery, apparatus, equipment, materials and personnel and authorised visitors for the purposes of constructing, installing, commissioning, inspecting, surveying, maintaining, repairing, altering, renewing, replacing and removing or decommissioning the electric lines, including to:</p> <ul style="list-style-type: none"> a) carry out de-watering and drainage works and install, alter or reinstate land drainage systems; b) carry out works to facilitate such access including to construct, lay down, use and remove access roads including any necessary bridging, culverting or diversion of water courses and drains, modifying road verges and junctions; c) erect and remove any necessary fencing, safety and security measures; d) bring cranes and crane pads onto the land for the purposes of siting and installation of the crane pad(s) and to position and swing the jib of a crane loaded or unloaded through the airspace above the land for the purposes of removing machinery and equipment from the construction site; e) prevent access on foot, bicycle and access by other non-motorised vehicles, implement traffic and safety access management measures; f) install, use, alter, divert, and remove services and utilities, carry out de-watering and drainage works and install, alter or reinstate land drainage systems; g) temporarily remove and reinstate any access obstructions, street works, street furniture and height restriction barriers; h) fell, trim or lop trees, shrubs, hedges and bushes and to clear and remove any and all vegetation which may damage, obstruct or interfere with the exercise of these Access Rights; i) carry out replanting and replacement of landscaping, ecological and/or environmental measures; j) park any vehicle, plant and machinery on the Order Land; k) make good any damage caused in connection with the exercise of these Access Rights; and l) carry out any activities ancillary or incidental thereto, <p>and rights to prevent and remove any works or use of the land which may interfere with or obstruct such access or the exercise of these Access Rights.</p>
Construction Compound Rights	<p>All rights necessary for the purposes of or incidental to the establishment, use and removal of works compounds and temporary works associated with the construction and commissioning of the electricity infrastructure and/or the construction, commissioning and decommissioning of the Authorised Project, including to:</p> <ul style="list-style-type: none"> a) erect, create, use and remove a works compound which may include portable cabins and offices, hardstanding, security measures and welfare facilities including portable toilets, car parking provision and electricity generators;

THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (CHESTERFIELD TO HIGH MARNHAM REFURBISHMENT PROJECT)
COMPULSORY PURCHASE ORDER 2026

	<ul style="list-style-type: none"> b) store, stockpile and where necessary use, manage and process plant, machinery, apparatus, materials (including excavated material) and/or equipment; c) access the Order Land and adjoining land with or without vehicles, personnel and plant, machinery, apparatus, equipment and materials for such purposes; d) bring cranes and crane pads onto the land for the purposes of siting and installation of the crane pad(s) and to position and swing the jib of a crane loaded or unloaded through the airspace above the land for the purposes of removing machinery and equipment from the construction site; e) fence, erect hoardings or signage or otherwise secure the compound; f) carry out de-watering and drainage works and install, alter or reinstate land drainage systems; g) discharge water into existing drains and watercourses and install a permanent asset for the purposes of discharging water; h) install, use and remove artificial lighting; i) lay down, install, adjust, alter, construct, operate, use, maintain, repair, renew and reinstate a temporary haul road and/or through road; j) enter the land and carry out surveys and investigations, including aerial surveys (including the right to fly an unmanned aircraft over the land and to enter and retrieve and recover any such unmanned aircraft from the land); k) park vehicles, plant and machinery; l) place, construct, use and remove slurry treatment facilities and associated plant, machinery, apparatus and materials; m) erect, construct, use, maintain, adjust, alter, repair and remove temporary overhead electric lines, pylons and associated apparatus; n) protect against and prevent damage to or interference with the operation and maintenance of any works constructed pursuant to these Construction Compound Rights; o) fell, trim or lop trees, shrubs, hedges and bushes and clear and remove any and all vegetation which may damage, obstruct or interfere with the exercise of these Construction Compound Rights; p) install, use, alter, divert and remove services and utilities; q) erect, repair, reinstate and remove temporary scaffolding; r) carry out archaeological, environmental and/or ecological mitigation works and create, use, maintain, inspect and remove ecological mitigation measures; s) reinstate the land and make good any damage caused in connection with the exercise of these Construction Compound Rights; and t) carry out any activities ancillary or incidental thereto, <p>and rights to prevent and remove any works or use of the land which may interfere with or obstruct such access or the exercise of these Construction Compound Rights.</p>
