THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (PITSMOOR-WINCObANK-TEMPLEBOROUGH 275 kV CABLE REPLACEMENT SCHEME) COMPULSORY PURCHASE ORDER 2023

Compulsory Purchase of Land and New Rights in Land between Pitsmoor and Wincobank and Templeborough substations

The Electricity Act 1989 and the Acquisition of Land Act 1981

Notice is hereby given that **NATIONAL GRID ELECTRICITY TRANSMISSION Plc** (Company Registration Number 02366977) has made The National Grid Electricity Transmission Plc (Pitsmoor-Wincobank-Templeborough 275 kV Cable Replacement Scheme) Compulsory Purchase Order 2023 (in this Notice referred to as "the Order") on 23 November 2023 under section 10 and paragraph 1 of Schedule 3 to the Electricity Act 1989. It is about to submit this order to The Secretary of State for Energy Security and Net Zero for confirmation, and if confirmed, the Order will authorise National Grid Electricity Transmission Plc to purchase compulsorily the land and the new rights described below for the purpose of decommissioning and replacing the existing underground electricity cables between Pitsmoor-Wincobank-Templeborough and associated works.

A copy of the Order and of the accompanying map may be seen at all reasonable hours at Sheffield Central Library, Surrey Street, Sheffield, S1 1XZ and Riverside Library, Riverside House, Main Street, Rotherham, S60 1AE. National Grid Electricity Transmission Plc has also made copies of the Order and the accompanying maps available for inspection online at <https://www.nationalgrid.com/electricitytransmission/network-and-infrastructure/sheffield-cables> or via the QR code in this notice. Copies are available on reasonable request made in writing to "Freepost National Grid SHF Cables", by email to sheffieldcable@nationalgrid.com or by telephoning 0808 175 0206.

Any objection to the order must be made in writing to The Department for Energy Security and Net Zero, Energy Infrastructure Planning, Level 3, Orchard 2, 1 Victoria Street, London, SW1A 0ET or to John.McKenna@energysecurity.gov.uk **before 5 January 2024** and should state the title of the Order, the grounds of objection and the objector's address and interests in the land.

DESCRIPTION OF LAND AND THE NEW RIGHTS

Rights for the replacement of two of the three existing circuits from Pitsmoor to Wincobank, and Wincobank to Templeborough, together with related works to decommission and/or remove existing electric cable circuits between Pitsmoor and Templeborough and associated infrastructure and related works to facilitate the transmission of electricity being decommissioned. The rights include (but are not limited to) all construction-related activities for setting up construction sites, all rights to facilitate temporary and operational access for construction, decommissioning and operation, activities to facilitate drainage and activities relating to the ongoing use, maintenance, alteration and removal of infrastructure.

These rights are described in more detail in the Order and Schedule and labelled as follows: "Cable Rights", "Construction and Operational Access Rights", "Decommissioning and Access Rights", "Construction and Compound Rights", "Drainage Rights" and "Monitoring Pit Rights", and are sought in respect of land between Pitsmoor Substation and Wincobank Substation to land near the Meadowhall Shopping Centre and the area in the vicinity of the Tinsley Viaduct; land around and to the south towards Blackburn Meadow Way; land to the east running parallel with the road to the River Don; land under the River Don towards Blackburn Meadow Way and Sheffield Road; land around and to the south of Ferrars Road and east beneath the Public Right of Way (Boston Path 23); land to the south of Boston Path 23 into the grounds of the Steelworks and land following the conveyor area (a 15m wide corridor) to Templeborough Substation where the freehold of the land is included in the Order together with access rights to it from Balk Lane.

Gemma Harvey-Cole, Lead EPC Project Manager

On behalf of National Grid Electricity Transmission Plc
