

Future of Gas

We will start at 10.32 to allow participants to finish previous meetings and join the call

nationalgrid

While you are waiting, please access Sli.do which we will be using for Q&A

Event Code:

#GTX2

Sli.do Instructions:

You can access Sli.do at www.sli.do or by downloading the Sli.do app.

Once you've logged on, enter the code above when prompted.

Who will be speaking today?

Martin Cook
Commercial
Director

Jennifer Pemberton
Stakeholder
Experience
Manager

Logistics

Should last for approximately about 60 min

Questions and polling via slido.com #GTX2

All callers will be placed on mute

We will circulate the slides and a recording of this webinar

Gas Transmission has a prominent role in the UK energy system now and into the future

1

Critical

Natural gas is
**critical to the
UK energy
system** today...

Gas Transmission has a prominent role in the UK energy system now and into the future

1

Critical

Natural gas is **critical to the UK energy system** today...

2

Central

...and will continue to be the **UK's primary energy source and central to the system** throughout the 2020s...

Quick Poll

1. Does this align with your view of the future of gas?

2. Are there any challenges to this view that we haven't identified?

Q&A

Upcoming events

Innovation – broadening the horizon	Thu 25th Nov 12.00 – 13.00	Register here
Gas Market Plan	Tue 30th Nov 09.30 – 10.30	Register here
Transitioning to a hydrogen backbone	Thu 02 nd Dec 10.00 – 11.00	Register here
Managing methane emissions	Thu 02 nd Dec 13.00 – 14.00	Register here
Supporting regional hydrogen transitions	Fri 02 nd Dec 09.00 – 10.00	Register here
Understanding the skills needed for a net zero world	Mon 06 th Dec 13.00 – 14.00	Register here
Digital Strategy and Information Provision	Tue 07 th Dec 13.30 – 14.30	Register here
Operating the network	Wed 08 th Dec 09.00 – 10.00	Register here
Gas Emergency Frameworks Overview	Thu 09 th Dec 14.00 – 15.30	Register here
FutureGrid 2021 Progress report	Tue 14 th Dec 10.00 – 11.00	Register here
Annual Network Capability Assessment Report	Wed 15 nd Dec 10.00 – 11.00	Register here

What next?

You will receive the recording and material from today's session

If you have any further questions or would like to discuss anything specific please get in touch with Jennifer.Pemberton@nationalgrid.com

Feedback is important to us, therefore if you have not already taken part, we would like to put you forward for a survey

Thank you for joining us today
