[More on gas safety](#)

If you have an electricity **power cut** or local cable

# nationalgrid.com

- On **25th October**, National Grid's new website will go live.

- 
- Better navigation
  - New content
  - Bookmarks will not change
    - Google will still find...
  - Delivery of our market information on **MIPI** will be unaffected.
    - The navigation menus on MIPI are unchanged.
    - API's will continue to work
  - For more information – contact:
    - [Gasoperations.shipperliaison@nationalgrid.com](mailto:Gasoperations.shipperliaison@nationalgrid.com)
    - 01926 65 6568
