Key Messages

- In order to plan and schedule remaining users into the remaining time available, we urgently need to know your ability to participate in URT by emailing GRPcommunications@xoserve.com.

- In the event that you need assistance with the required GRP changes or have any questions then please contact the GRP Project Team via: GRPcommunications@xoserve.com or 0121 623 2829 / 0121 623 2633

- It is imperative that we are able to confirm your ability to participate in URT, which will run until 12 April 2013 only.

- If we cannot verify your state of readiness we cannot guarantee successful access to the Gemini System after the cut over on Sunday, 9 June 2013.
