
Unaccounted for Gas (UAG)

Unaccounted for Gas (UAG)

- UAG Report published on 1st October 2014
 - Copy of report can be found at: <http://www.nationalgrid.com/uk/Gas/Data/uagdvl/>
- UAG levels continue to fall year on year due to:
 - Meter Witnessing Campaign
 - UAG Analysis Tools – PSET, CWV
- Future Initiatives:
 - Currently developing a tablet app to aid the capture and analysis of meter validation data (ME2)
 - More information can be found on:
