

NEC Declaration to Industry or update of Network Gas Supply Emergency

NEC Exercise: **YES/NO** Exercise Name: Exercise Date: **xx/xx/xxxx**

URGENT COMMUNICATION FROM NETWORK EMERGENCY CO-ORDINATOR (NEC)

To be issued to all industry

In accordance with the NEC Safety Case and Network Gas Supply Emergency Procedure T/PM/E/1, the Network Emergency Coordinator has declared a Network Gas Supply Emergency (NGSE)

This emergency is classified as a: *Gas Deficit Emergency *Critical Transportation Constraint *Safety Monitor Breach at stage 1/2/3/4

This NEC notice is issued at:-

Date: **xx/xx/xxxx**

Time: **xx:xx:xx**

Form Version number:

1.1

Gas Day: **xx/xx/xxxx**

N.B. Version no. is the day number followed by the number of versions on that day i.e. 1.2 is Day 1, second edition

The declaration is issued as a result of: Significant loss of supply and insufficient commercial actions to rebalance the primary NTS system or The Safety Monitor has been breached, actions to restore the NTS pressure will be communicated to affected sites.....

Emergency Stage 1/2/3/4 has been declared

The expected duration of this emergency will last approximately XX hours from this NEC issue date/time.

National Grid's participation as residual system balancer in OCM is/is not suspended.

This declaration is for information. National Grid Gas will be contacting you if specific actions are required in order to implement the emergency strategy required to re-balance the network as detailed in the NEC Safety Case, T/PM/E/1 Procedure for Network Gas Supply Emergencies or Section Q the Uniform Network Code.

Further information may be obtained from the website at www.nationalgrid.com/ngse

Note: All Shippers have an obligation under the Uniform Network Code to read all ANS messages. Please ensure your handset is switched on and ANS messages/NEMT instructions read to ensure you fully comply with the NEC and National Grid Gas instructions.

If you wish to contact the NEC or National Grid Gas, please use the numbers allocated to you on the NEC External Contact list on page 2 of this form, this situation will be continually reviewed and you will be updated accordingly.
