- 4.8 The Facility Withdrawal Capacity shall be deemed to be equal to the Facility Withdrawal Capacity (Nominal), unless the Facility Operator has, in respect of the relevant Day, made a contrary public notification on the website identified in Schedule 1, in which case the Facility Withdrawal Capacity shall be deemed to be such publicly notified capacity. For the avoidance of doubt, the Service Provider shall ensure that the Facility Withdrawal Capacity may only be zero (0) in the event of a Maintenance Period or an event of Force Majeure.

Non-Compliant Gas

- 4.9 All Natural Gas withdrawn from the Facility or injected into the Facility pursuant to a Nomination shall be Compliant Gas. If either Party delivers (by way of injection in the case of the Customer, or by way of withdrawal in the case of the Service Provider) Non-Compliant Gas to the other Party, each Party shall use reasonable endeavours to notify the other Party as soon as reasonably practical after becoming aware of such Non-Compliant Gas. The Party receiving such Non-Compliant Gas may at its option:
- (a) accept or continue to accept delivery of such Non-Compliant Gas (and the relevant Party's rights under Clauses 4.10 or 4.11 shall not be prejudiced by its election to accept delivery of Non-Compliant Gas (whether or not the Party is aware that such Natural Gas is Non-Compliant Gas)); or
 - (b) give written notice to the other Party requiring it to discontinue or procure the discontinuance of the delivery of such Non-Compliant Gas as soon as safely practicable. If, following such discontinuance:
 - (i) the delivering Party notifies the receiving Party that it is able to deliver Compliant Gas to satisfy the Nomination; and
 - (ii) the receiving Party gives written agreement to receive such Compliant Gas,the delivering Party may resume delivery of Compliant Gas to satisfy such Nomination.
- 4.10 To the extent that Non-Compliant Gas is delivered:

- (a) to the Customer pursuant to a Withdrawal Nomination, the Service Provider shall pay to the Customer all reasonable costs and expenses reasonably incurred by the Customer (in its capacity as a User in accordance with Section K1.3.1 of the Transportation Principal Document of the Network Code) in consequence of such delivery, including (without limitation) costs and expenses incurred:
 - (i) in cleaning or clearing any part of the NTS; and/or
 - (ii) in taking reasonable measures to secure that the NTS can be operated in accordance with applicable Legal Requirements notwithstanding the delivery or continued delivery of such Non-Compliant Gas,

as such costs and expenses are described in and recoverable by National Grid Gas in accordance with Section I3.4 of the Transportation Principal Document of the Network Code, *provided that* if the Customer knowingly chooses to accept Non-Compliant Gas:

- (A) such amount shall not exceed the amount of Liquidated Damages that would otherwise have been payable by the Service Provider under Clauses 14.1 and 14.2 had the Customer rejected the Non-Compliant Gas; and
 - (B) the Customer shall have no other claim (including for Liquidated Damages) against the Service Provider in respect of such Non-Compliant Gas; or
- (b) to the Service Provider pursuant to an Injection Nomination, the Customer shall pay to the Service Provider all reasonable costs and expenses reasonably incurred by the Service Provider in consequence of such delivery, including (without limitation) costs and expenses incurred:
 - (i) in cleaning or clearing any part of the Facility; and/or
 - (ii) in taking reasonable measures to secure that the Facility can be operated in accordance with applicable Legal Requirements notwithstanding the delivery or continued delivery of such Non-Compliant Gas,

as such costs and expenses are described in and payable by National Grid Gas in accordance with Section J3.4 of the Transportation Principal Document of the Network Code, *provided that* if the Service Provider knowingly chooses to accept Non-Compliant Gas:

- (A) such amount shall not exceed the amount that would otherwise have been payable by the Customer had the Service Provider rejected the Non-Compliant Gas; and
 - (B) the Service Provider shall have no other claim against the Customer in respect of such Non-Compliant Gas.
- 4.11 To the extent that the Service Provider fails to deliver Compliant Gas pursuant to Clause 4.9 and the Customer has not chosen to accept delivery of such Non-Compliant Gas, the Service Provider shall be taken to have failed to deliver Natural Gas to the Customer for the purposes of Clauses 5 and 14.
- 4.12 The Customer shall be responsible for procuring:
- (a) NTS Entry Capacity for the entry to the NTS of Natural Gas withdrawn from the Facility pursuant to a Withdrawal Nomination; and
 - (b) NTS Exit Capacity for the offtake from the NTS of Natural Gas injected into the Facility pursuant to an Injection Nomination,

and shall make the appropriate nominations for such Natural Gas as are required under the Network Code.

- 4.13 In the event of a dispute between the Parties in relation to the delivery of Non-Compliant Gas, either Party may refer such dispute to an Expert in accordance with Clause 25.

5 NOMINATIONS

Customer submitting a Nomination

- 5.1 Where the Customer wishes to have a quantity of Natural Gas:
- (a) injected into the Facility it shall submit a nomination (an “**Injection Nomination**”); or
 - (b) withdrawn from the Facility it shall submit a nomination (a “**Withdrawal Nomination**”),
- in accordance with this Clause 5 and the provisions of this Agreement.
- 5.2 Each Nomination shall be submitted (in accordance with Clause 20) substantially in the form set out in Schedule 2 (“**Nomination Form**”) and must specify:
- (a) the Day to which the Nomination relates;
 - (b) whether it is an Injection Nomination or a Withdrawal Nomination;
 - (c) the Hour from which the Nomination shall take effect (“**Nomination Start Time**”) and the Hour from which the Nomination shall cease to take effect (“**Nomination End Time**”);
 - (d) the rate (in kWh per hour) of injection or withdrawal for each Hour of the Nomination Period to which it relates (the “**Nominated Injection Rate**” or “**Nominated Withdrawal Rate**”, as applicable);
 - (e) the quantity of Natural Gas (in kWh) which the Customer wishes to have injected (the “**Nominated Injection Quantity**”) or withdrawn (the “**Nominated Withdrawal Quantity**”) over the Nomination Period, in a Day; and
 - (f) the date and time of the request.
- 5.3 A Nomination may not specify a Nomination Start Time which (by reference to the first hour bar after the time the Nomination was made) is any earlier than the expiry of the Injection Response Time or (as the case may be) the Withdrawal Response Time following such hour bar or such other period of time as may be agreed by the Parties, provided if the Customer requests the Service Provider to give effect to the Nomination at an earlier time the Service Provider shall use its reasonable endeavours to do so.
- 5.4 The Customer shall not be entitled to:
- (a) make a Nomination, either an Injection Nomination and/or Withdrawal Nomination (as the case may be) that is less than zero (0); or
 - (b) specify a Nominated Injection Quantity which, if the Injection Nomination were implemented by the Service Provider, would make the Customer’s Gas-in-Storage exceed the Customer’s Storage Space (after taking into account any Storage Space Transfer in respect of which such Day falls within the Storage Transfer Period), pursuant to this Agreement; or
 - (c) specify a Nominated Withdrawal Quantity which, if the Withdrawal Nomination were implemented by the Service Provider, would (after taking into account any Storage Gas

Transfer in respect of which such Day is the Transfer Date) make the Customer's Gas-in-Storage fall below zero (0).

- 5.5 The Customer may in its Nomination, in respect of any Hour on any given Day, request that the Service Provider permit, in the Service Year, a Nominated Injection Rate in excess of the Customer's Available Injection Rate ("**Excess Injection Rate**") and/or a Nominated Withdrawal Rate in excess of the Customer's Available Withdrawal Rate ("**Excess Withdrawal Rate**"), and in such case the Customer shall complete column 'B' and column 'C' of the Nomination Form.

Service Provider's response to a Nomination

- 5.6 If the Customer submits a Nomination, the Service Provider shall, as soon as reasonably practicable and in any case within forty-five (45) minutes, notify the Customer for each Hour in the Nomination Period of:
- (a) the quantity of Natural Gas the Service Provider intends to inject or (as the case may be) withdraw from the Facility during the Nomination Period; and
 - (b) the proposed rate of injection or (as the case may be) rate of withdrawal for each Hour during the Nomination Period (including whether the Service Provider is prepared (in its sole discretion) to make Natural Gas available (in whole or in part) at any Excess Injection Rate or Excess Withdrawal Rate (as the case may be) requested).
- 5.7 For the purposes of Clause 5.6 and in accordance with Clause 20.2, the Service Provider shall notify the Customer by responding to the Customer's Nomination Form with the final column 'D' completed, and by counter-signing and dating such form, and returning such form to the Customer.
- 5.8 If the Service Provider has responded to the Nomination in accordance with Clause 5.7 the Service Provider shall ensure the Actual Utilisation Quantity in the Nomination Period is the quantity of Natural Gas notified by the Service Provider in accordance with Clause 5.6(a) and the rate at which Natural Gas is injected or withdrawn is the rate notified by the Service Provider in accordance with Clause 5.6(b).
- 5.9 The Service Provider shall be entitled (but not obliged) to adjust downwards a Nominated Quantity under a Nomination, for a Nomination Period to the extent necessary to ensure that the injection rate does not exceed the Customer's Available Injection Rate or that the withdrawal rate does not exceed the Customer's Available Withdrawal Rate.
- 5.10 The Service Provider may (but shall not be required to) reject a Nomination:
- (a) if it does not comply with the requirements in Clause 5.2;
 - (b) which is not in accordance with Clause 5.3 or 5.4;
 - (c) if, during such Nomination Period, the Service Provider would (without taking the Nomination into account) be withdrawing Natural Gas at the Facility Withdrawal Capacity corresponding to the Facility Gas-In Storage in accordance with Schedule 1, Part 4; or
 - (d) if submitted other than in accordance with Clause 20,

and if the Service Provider rejects a Nomination in accordance with this Clause 5.10, subject to the Service Provider giving notice to the Customer of such rejection (together with the reasons for the rejection), such Nomination shall have no effect for the purposes of this Agreement.

- 5.11 At any time and from time to time on a Day, the Customer is entitled to submit a new Nomination relating to (part or all of) the same Nomination Period as any previous Nomination. Any rejection of a Nomination by the Service Provider shall be without prejudice to the Service Provider's obligation to perform in respect of any other prevailing valid Nominations submitted on the Day.

- 5.12 If in respect of a Nomination, the Service Provider does not notify the Customer in accordance with Clauses 5.6 and 5.7, or 5.10, within forty-five (45) minutes from the time the Nomination was made, then the Nomination shall be deemed to have been accepted.

Information, allocation, and charging

- 5.13 In respect of each Nomination Period, the Service Provider shall notify the Customer in writing of the Actual Utilisation Quantity (and where applicable any Shortfall Quantity) by no later than the start of the seventh (7th) Business Day following the Day in respect of which the Nomination was made.
- 5.14 The Customer authorises and appoints the Allocation Agent to submit on its behalf an Entry Allocation Statement or (as the case may be) Exit Allocation Statement in respect of a Day on which the Customer made a Nomination in respect of which the quantity specified as delivered to or offtaken from the NTS by the Customer at the Gas Delivery Point is equal to the sum of the Actual Utilisation Quantity for each Hour in respect of which the Customer made a Nomination on such Day.
- 5.15 If the Service Provider:
- (a) injects Natural Gas into the Facility in accordance with an Injection Nomination, the Customer shall pay the Injection Charges in accordance with Clauses 11.1 and 11.4;
 - (b) withdraws Natural Gas from the Facility in accordance with a Withdrawal Nomination, the Customer shall pay the Withdrawal Charges in accordance with Clauses 11.1 and 11.5; and
 - (c) provides the Service to the Customer at an Excess Injection Rate or an Excess Withdrawal Rate (as the case may be), the Customer shall pay the Overrun Charges in accordance with Clauses 11.1 and 11.6.

6 INTERRUPTION, REALLOCATION AND STORAGE TRANSFERS

Interruption

- 6.1 Subject always to Clause 6.3(a), the Service Provider may interrupt any Withdrawal Nomination of the Customer on any Day and Hour in the Service Year where:
- (a) (if the Service Provider is the Facility Operator) the aggregate of the rate of withdrawal pursuant to the Customer's Withdrawal Nomination and the rate of withdrawal by any other user of the Facility or the Service Provider exceeds the Facility Withdrawal Capacity; or
 - (b) (if the Service Provider is not the Facility Operator) the Facility Operator has interrupted the Service Provider in accordance with the Gas Storage Agreement between the Facility Operator and the Service Provider,
- provided the Service Provider shall not be entitled to interrupt the Customer's Withdrawal Nomination in respect of the withdrawals for any Day in a Run-off Period.
- 6.2 The Service Provider may at any time submit to the Customer a notice ("**Interruption Notice**") in accordance with Clause 20 and substantially in the form set out in Schedule 3, and signed by the Service Provider, which shall specify:
- (a) the Day to which the Interruption Notice relates;
 - (b) the time (the "**Interruption Effective Time**"), on the Hour, with effect from which such Interruption Notice is to take effect, which shall be no earlier than forty-five (45) minutes after the submission of the Interruption Notice, *provided that* the Service Provider shall

issue an Interruption Notice as soon as reasonably practicable after becoming aware of the circumstance that results in the need to issue such Interruption Notice;

- (c) the interruption number;
- (d) the estimated duration of the interruption (the “**Interruption Period**”);
- (e) whether the interruption of the Customer's Withdrawal Nomination is in part or in full;
- (f) the nominated Withdrawal Rate for the Interruption Period prevailing immediately before the Interruption Notice (in accordance with column ‘A’ of the Interruption Notice);
- (g) if the interruption is in part, the rate of withdrawal unavailable to the Customer for each Hour of the Interruption Period (the “**Interrupted Withdrawal Rate**”) (in accordance with column ‘B’ of the Interruption Notice);
- (h) the total end of day quantity to be interrupted by the Service Provider and not provided by the Service Provider to the Customer;
- (i) the total end of day quantity to be provided by the Service Provider to the Customer as a result of the interruption (in accordance with column ‘C’ of the Interruption Notice) (the “**Interrupted Withdrawal Quantity**”); and
- (j) the date and time of the request in the Interruption Notice.

6.3 In the event that the Service Provider does interrupt the Customer’s withdrawal:

- (a) the Service Provider undertakes to the Customer that the physical flow of Natural Gas out of the Facility during the Interruption Period shall not be less than the lower of:
 - (i) the total physical flow of Natural Gas from the Facility had the Service Provider acted upon the Customer’s Withdrawal Nomination prevailing immediately before the Interruption Notice was given or any subsequent revised Withdrawal Nomination submitted after the Interruption Notice was given; and
 - (ii) the Facility Withdrawal Capacity; and
- (b) if the Service Provider is able to increase the rate of withdrawal at any time after an Interruption Notice has been served, the Service Provider shall notify the Customer of such higher rate of withdrawal that could be delivered, and the Customer, at its absolute discretion, may submit a revised Nomination; and
- (c) on any Day in respect of which the Service Provider issued an Interruption Notice for the purposes of Clause 14 the Shortfall Quantity shall be calculated as the difference between ninety-eight percent (98%) of the Nominated Quantity and the sum of:
 - (i) the Actual Utilisation Quantity for the Day and
 - (ii) the quantity withdrawn from the Facility on the Day pursuant to nomination(s) made by other user of the Facility (if any) (and the Service Provider shall provide the Customer with reasonable evidence of any quantities).

Reallocation

6.4 Where the Customer has made a Withdrawal Nomination, but the Service Provider has had or wishes to have all or part of the Natural Gas to be delivered pursuant to such Withdrawal Nomination allocated to it or another person nominated by the Service Provider (a “**Nominated Third Party**”) rather than to the Customer at the Gas Delivery Point, the Service Provider shall give notice, substantially in the form set out in Schedule 4 (a “**Reallocation Notice**”) to the

Customer no later than five (5) Days before the Entry Close-out Date of the Day to which the Reallocation Notice relates, and such Reallocation Notice shall specify the identity of the Nominated Third Party (if applicable) and the quantity of Natural Gas (the “**Reallocation Quantity**”), not being greater than the Nominated Withdrawal Quantity, that the Service Provider wishes to have allocated to it or the Nominated Third Party rather than to the Customer. Where the Service Provider submits a Reallocation Notice, then the provisions of this Agreement shall continue to apply to the Withdrawal Nomination, provided that:

- (a) the Reallocation Quantity shall not be included in the calculation of the Charges payable by the Customer (if any) for the Month in which the Withdrawal Nomination is made, or, where the Customer has already paid any Charges in respect of such Reallocation Quantity, the Service Provider shall reimburse the Customer such Charges;
- (b) the Customer’s Nominated Withdrawal Quantity shall be reduced by the Reallocation Quantity (and the Customer’s Withdrawal Nomination shall be deemed to have been amended accordingly);
- (c) the Customer, the Service Provider, and the Nominated Third Party (as the case may be) shall take all reasonable steps to ensure that the Service Provider or the Nominated Third Party (as the case may be) is allocated with the Reallocation Quantity at the Gas Delivery Point; and
- (d) where the Reallocation Notice is received later than three (3) hours before the end of the Day in respect of which the Withdrawal Nomination is made, the Service Provider shall reimburse the Customer any reasonable costs or expenses incurred by the Customer (as a result of the reallocation of Natural Gas pursuant to this Clause 6.4), which costs or expenses shall be calculated by reference to (and shall be deemed to be limited to):
 - (i) the sum of any charges payable by the Customer; less
 - (ii) any amounts payable to the Customer,

in each case in its capacity as a person bringing Natural Gas onto the NTS (and not otherwise) pursuant to the Network Code and to the extent that such charges and amounts payable result from the reallocation of the Reallocation Quantity.

6.5 The Service Provider may only submit a Reallocation Notice for a Day where the Service Provider or the Nominated Third Party holds Gas-in-Storage in the Facility in an amount equal to or greater than the Reallocation Quantity.

6.6 Where the Service Provider has given a Reallocation Notice to the Customer not later than three (3) hours before the end of the Day in respect of which the Nomination is made, the Service Provider may also request that the Customer transfer to the Service Provider or the Nominated Third Party NTS Entry Capacity that the Customer is registered (pursuant to the terms of the Network Code) as holding in relation to the Gas Delivery Point for the relevant Day; provided that the Service Provider may only request the Customer to transfer a quantity of NTS Entry Capacity that is no greater than the Reallocation Quantity. Where the Service Provider makes such a request and the Customer is registered as holding an amount of NTS Entry Capacity in relation to the Gas Delivery Point that is:

- (a) equal to or greater than the quantity of NTS Entry Capacity that the Service Provider has requested be transferred, then the Customer shall transfer to the Service Provider or the Nominated Third Party (in accordance with the provisions of the Network Code) the quantity of NTS Entry Capacity requested; or
- (b) less than the quantity of NTS Entry Capacity that the Service Provider has requested be transferred, then the Customer shall transfer to the Service Provider or the Nominated Third Party (in accordance with the provisions of the Network Code) the quantity of NTS Entry Capacity the Customer is registered as holding in relation to the Gas Delivery Point.

- 6.7 Where a quantity of NTS Entry Capacity in relation to the Gas Delivery Point is transferred by the Customer to the Service Provider or the Nominated Third Party pursuant to Clause 6.6, the Service Provider shall pay to the Customer the charges payable by the Customer in respect of the transferred NTS Entry Capacity.

Storage Transfers

6.8 Basis of Storage Transfers

- (a) Clauses 6.8 to 6.13 apply where the Service Provider is the Facility Operator (and do not apply where the Service Provider is not the Facility Operator).
- (b) The Customer or (as the case may be) Gas Storage Customer (the “**Transferor Storage Customer**”) may at any time during the Term:
- (i) transfer all or part of its Storage Space or its Storage Injection Capacity in the Facility to; or
 - (ii) make a Storage Gas Transfer in respect of a quantity of Natural Gas in relation to the Facility in favour of,
- any Gas Storage Customer or (as the case may be) the Customer (the “**Transferee Storage Customer**”) subject to and in accordance with this Clause 6.8.
- (c) For the purposes of this Agreement:
- (i) a “**Storage Space Transfer**” and a “**Storage Injection Capacity Transfer**” are respectively a transfer of Storage Space and a transfer of Storage Injection Capacity in accordance with Clause 6.8(b)(i) and a “**Storage Capacity Transfer**” is a Storage Space Transfer and/or a Storage Injection Capacity Transfer;
 - (ii) a “**Storage Gas Transfer**” is an arrangement between two (2) users of the Facility made for the purposes of Clause 6.8(b); and
 - (iii) a “**Storage Transfer**” is a Storage Capacity Transfer or a Storage Gas Transfer.
- (d) A Storage Injection Capacity Transfer may be for any Day or consecutive Days within the period for which the Transferor Storage Customer holds (by virtue of registration or any Storage Injection Capacity Transfer) such capacity and a Storage Space Transfer shall be for any Day or consecutive Days within the period for which the Transferor Storage Customer holds (by virtue of registration or any Storage Space Transfer) such capacity.
- (e) In respect of a Storage Transfer or proposed Storage Transfer:
- (i) in the case of a Storage Capacity Transfer, the “**Transferred Storage Capacity**” is the Storage Capacity which is (or is to be) transferred;
 - (ii) in the case of a Storage Gas Transfer, the “**Transferred Gas-in-Storage**” is the quantity subject to such Storage Gas Transfer;
 - (iii) the “**Storage Transfer Period**” is in the case of a Storage Injection Capacity Transfer the hour or hours (being full hours only) or the Day or Days, and in the case of a Storage Space Transfer the period, in accordance with Clause 6.8(d), for which the transferred capacity is (or is to be) transferred; and
 - (iv) in the case of a Storage Gas Transfer the “**Transfer Date**” is the Day on and with effect from which the Storage Gas Transfer is to take effect.

6.9 Storage Gas and Capacity Transfers

- (a) The Customer may not transfer Storage Space or make a Storage Gas Transfer where as a result either the Transferee Storage Customer or the Transferor Storage Customer would have Gas-in-Storage in excess of its Storage Space.
- (b) The Transferred Gas-in-Storage under a Storage Gas Transfer shall not exceed the amount of the Transferor Storage Customer's Gas-in-Storage.
- (c) The Service Provider may but shall not be required to reject a Storage Transfer in respect of which the requirements of Clause 6.9(a) or 6.9(b) are not satisfied; and where the Service Provider does not reject such a Storage Transfer the Storage Transfer will take effect.

6.10 Storage Transfer Procedure

- (a) Where a Customer proposes to make a Storage Transfer, each of the Transferor Storage Customer and the Transferee Storage Customer must notify the proposed Storage Transfer to the Facility Operator specifying:
 - (i) the identity of the Transferor Storage Customer;
 - (ii) the identity of the Transferee Storage Customer;
 - (iii) whether the Storage Transfer is a Storage Space Transfer, a Storage Injection Capacity Transfer or a Storage Gas Transfer, or a combination in accordance with Clause 6.10(b);
 - (iv) the amount of the Transferred Storage Capacity, or (as the case may be) Transferred Gas-in-Storage; and
 - (v) in the case of a Storage Capacity Transfer, the Storage Transfer Period, or in the case of a Storage Gas Transfer, the Transfer Date.
- (b) A combined notification may (and where required to satisfy the condition in Clause 6.9(a) shall) be made in respect of a Storage Space Transfer and Storage Gas Transfer at the Facility.
- (c) A proposed Storage Space Transfer or a proposed Storage Gas Transfer may not be notified later than two (2) hours prior to the commencement of the Transfer Date or (as the case may be) Day or first Day of the Storage Transfer Period. A proposed Storage Injection Capacity Transfer may not be notified later than one (1) hour prior to the commencement of the Storage Transfer Period.
- (d) The Service Provider may reject a Storage Transfer:
 - (i) in accordance with Clause 6.9(c); or
 - (ii) where either the Transferor Storage Customer or the Transferee Storage Customer does not notify the Storage Transfer in accordance with Clauses 6.10(a) to 6.10(c).
- (e) A Storage Transfer shall be deemed to be rejected if it is not approved by the Service Provider within sixty (60) minutes after it was notified by the Transferor Storage Customer or (if later) the Transferee Storage Customer under Clause 6.10(a).

6.11 Effect of Storage Capacity Transfer

- (a) Except for the purposes of Clause 6.10(c), and subject to Clause 6.13, the Transferee Storage Customer will be treated during the Storage Transfer Period as holding the Transferred Storage Capacity.
- (b) The Customer's Storage Capacity in the Facility on a Day will be determined as its registered Storage Capacity, adjusted in respect of any Storage Capacity Transfer(s) by adding the Transferred Storage Capacity where the Customer was the Transferee Storage Customer, and deducting the Transferred Storage Capacity where the Customer was the Transferor Storage Customer, subject to Clause 6.13.
- (c) The Customer will remain liable for Charges in respect of its registered Storage Capacity irrespective of any Storage Capacity Transfer.

6.12 Effect of Storage Gas Transfer

With effect from (and including) the Transfer Date, the Transferred Gas-in-Storage will be added to the Transferee Storage Customer's Gas-in-Storage and deducted from the Transferor Storage Customer's Gas-in-Storage.

6.13 Effect of Termination

- (a) Where during the Storage Transfer Period in respect of a Storage Capacity Transfer the Transferor Storage Customer ceases to be a user of the Facility:
 - (i) the Service Provider will so notify the Transferee Storage Customer as soon as reasonably practicable and in any event not more than five (5) Business Days after giving a notice (the "**Storage Termination Notice**") to the Transferor Storage Customer of the termination by the Service Provider of the contract that gives rise to the right of the Transferor Storage Customer to be a user of the Facility;
 - (ii) with effect from the date (the "**Storage Discontinuance Date**") on which the Transferor Storage Customer ceases to be a user of the Facility, the Storage Capacity Transfer will lapse and the Transferee Storage Customer will cease to be treated as holding the Transferred Storage Capacity;
 - (iii) the Transferee Storage Customer may elect to be registered in accordance with Clause 6.13(b) as holding Storage Capacity (in addition to any such capacity held other than by virtue of the Storage Capacity Transfer) in the Facility:
 - (A) in an amount not exceeding the Transferred Storage Capacity; and
 - (B) for (in the case of a Storage Injection Capacity Transfer) any hour or consecutive hours (being full hours only) or Day or consecutive Days within the Storage Transfer Period, or (in the case of a Storage Space Transfer) a period from any Day (before or after the date of such election, but not before the Storage Discontinuance Date) in the Storage Transfer Period until the end of the Storage Transfer Period.
- (b) Where under Clause 6.13(a) the Transferee Storage Customer elects to be registered as holding Storage Capacity:
 - (i) the Transferee Storage Customer shall notify the Service Provider, as soon as reasonably practicable and in any event not more than five (5) Business Days after the Service Provider's notice under Clause 6.13(a), of such election, specifying the Storage Capacity and period in accordance with Clauses 6.13(c)(i) and 6.13(c)(ii);

- (ii) the Transferee Storage Customer will be registered as holding Storage Capacity in the amount and for the period elected (notwithstanding any other requirement of the Network Code as to the prior notice required for or the period of registration); and
 - (iii) the Transferee Storage Customer will accordingly be liable for Charges in respect of the elected Storage Capacity at the Facility for the elected period.
- (c) Where during the Storage Transfer Period in respect of a Storage Capacity Transfer the Transferee Storage Customer ceases, pursuant to Clause 17, to be a Customer for the purposes of this Agreement:
 - (i) the Service Provider will so notify the Transferor Storage Customer as soon as reasonably practicable and in any event not more than five (5) Business Days after giving a Storage Termination Notice to the Transferee Storage Customer; and
 - (ii) with effect from the Storage Discontinuance Date, the Storage Capacity Transfer will lapse and the Transferee Storage Customer will cease to be treated as holding the Transferred Storage Capacity which will revert to (and be treated as held by) the Transferor Storage Customer.
- (d) For the avoidance of doubt, the fact that a Customer shall cease to be a Customer for the purposes of this Agreement under Clause 17 shall not affect any Storage Gas Transfer made before the Storage Discontinuance Date.

7 MAINTENANCE

- 7.1 The Service Provider shall use reasonable endeavours to ensure to the extent possible that:
- (a) the duration of any Maintenance Period in respect of the Facility is minimised;
 - (b) Maintenance Periods for the Facility are scheduled at the same time as any maintenance of the NTS planned by National Grid Gas which would result in Natural Gas being unable to be delivered from or to such Facility; and
 - (c) the chosen mode of operation of the Facility prior to the Nomination by the Customer shall not compromise the Service Provider's ability to fulfil its obligations under this Agreement.
- 7.2 The Customer acknowledges that the Facility may be (in whole or in part) unavailable for provision of the Services to the Customer on Days when National Grid Gas is carrying out maintenance to the NTS such that (as a result of such maintenance) Natural Gas cannot be delivered from the Facility.
- 7.3 The Service Provider (or, where relevant, the Facility Operator) may amend the Planned Maintenance Period for the Facility by public notification on the website identified in Schedule 1, in which case the Planned Maintenance Period shall be deemed to be such publicly notified period.

8 SERVICE AVAILABILITY

8.1 General

- (a) The Service Provider shall ensure that the Facility is available at all times during the Term for providing the Service, except:
 - (i) during any Maintenance Period;

- (ii) during an event of Force Majeure, duly and properly notified pursuant to Clause 13.2; and
 - (iii) for reasons other than those set out in Clause 8.1(a)(i) and 8.1(a)(ii), duly and properly notified pursuant to Clause 8.1(b).
- (b) If the Facility is (in whole or in part) unavailable to the Customer for withdrawal and/or injection during the Term for any reason, then (notwithstanding any other obligations or rights of the Service Provider or the Customer, and subject to any restrictions on disclosure pursuant to any Legal Requirements) the Service Provider shall notify the Customer as soon as reasonably practicable of such unavailability, the reasons therefor and the estimated period during which such unavailability will continue.

8.2 Service Availability Factor

- (a) Subject to Clauses 8.2(b) and (c), in respect of any Day during the Term, the Service Availability Factor shall be the factor determined as:
- (i) for a Day in respect of which the Actual Utilisation Quantity is less than the Nominated Quantity, the factor which represents the extent to which the Nominated Quantity was made available to the Customer;
 - (ii) for a Day falling in a Maintenance Period, the factor which represents the extent to which the Facility's aggregate withdrawal capacity is reduced to on such Day;
 - (iii) for a Day in respect of which either:
 - (A) the Service Provider has declared Force Majeure; or
 - (B) the injection or withdrawal component of the Service is not fully available to the Customer other than for the reasons in Clauses 8.2(a)(ii) and 8.2(a)(iii)(A),

the factor which represents the extent to which (if any) the withdrawal or injection component of the Service is available to the Customer on such Day.
- (b) For the purposes of Clause 8.2(a):
- (i) the factor shall be less than one (1) in the circumstances in Clauses 8.2(a)(ii) and (iii) where there is reduction in the availability of the withdrawal component of the Service, notwithstanding there may be no reduction in the availability of the injection component of the Service on the same Day;
 - (ii) the factor shall only be less than one (1) for a Day by reason of the unavailability of the injection component of the Service due to the circumstances in Clauses 8.2(a)(ii) and (iii) provided the Customer submitted a valid Injection Nomination for such Day;
 - (iii) subject to Clause 8.2(b)(ii), where on a Day there is a reduction in both the withdrawal and injection component of the Service for the reasons referred to in 8.2(a), the factor for the Day shall be determined by reference to the extent to whichever of the withdrawal or injection component of the Service is least available to the Customer on the Day;
 - (iv) where on a Day more than one of the circumstances in Clause 8.2(a) apply, the factor for the Day shall reflect the aggregate extent to which the injection or withdrawal component of the Service was unavailable to the Customer.
- (c) In relation to a Day in respect of which:

- (i) none of the circumstances in Clause 8.1(a) apply; or

the Service Availability Factor for the Day shall be one (1).

8.3 Other unavailability to the Customer

- (a) On any Day or Hour during a Gas Supply Emergency the Service Provider may take steps to increase flow rates at the Facility in order to comply with National Grid Gas's instructions pursuant to the Network Code notwithstanding the Customer's nomination on such Day.
- (b) Where in respect of any Day or Hour the withdrawal of Natural Gas at the Gas Delivery Point is affected as a result of a pressure in the NTS at the Gas Delivery Point exceeding the maximum delivery pressure specified in the Storage Connection Agreement, or of any other transportation constraints affecting the withdrawals of Natural Gas, the Customer shall be interrupted in accordance with Clause 6.

9 SERVICE TEST

- 9.1 The Customer may test the Service Provider's ability to comply with a Nomination, including without limitation communications between the Parties ("**Service Test**") at any time during the Service Year, excluding during a Maintenance Period where such Service Test would require the physical injection of Natural Gas into the Facility, or withdrawal of Natural Gas from the Facility.
- 9.2 If a Service Test results in the Service Provider complying with a Nomination, the Customer shall pay the relevant Charges, provided that where the Service Test tests only the communications between the Parties, no charges shall be due or payable.

10 RUN-OFF PERIOD

- 10.1 If at the end of the Service Year the Customer has Gas-in-Storage, pursuant to this Agreement with the Service Provider, in the Facility and:
 - (a) the Service Provider and the Customer have entered into a new agreement for the provision of storage services for the period immediately following the Service End Date, subject to any re-profiling tender in accordance with Section K of the Transportation Principle Document of the Network Code, the Parties agree that the Customer's Gas-in-Storage, pursuant to this Agreement, at the Service End Date shall be treated as the Customer's opening Gas-in-Storage (up to a maximum amount equal to the Customer's storage space capacity under the new agreement) with the Service Provider, for the purposes of the new agreement; or

then:

- (iii) during the Run-off Period and without prejudice to the Customer's rights to undertake any trade, transfer or re-profiling tender before the Run-off Period, the Customer may trade or transfer its Gas-in-Storage in accordance with Section K of the Transportation Principle Document of the Network Code; and
- (iv) if at the end of the Run-off Period the Customer has any Gas-in-Storage under this Agreement, ("**Reconciliation Quantity**"), the Service Provider shall be deemed to purchase the Reconciliation Quantity from the Customer (irrespective of whether the Reconciliation Quantity results from the Service Provider's failure to deliver Gas-in-Storage, an event of Force Majeure, a Maintenance Period or otherwise).

10.2 If the Service Provider is deemed to purchase the Reconciliation Quantity, pursuant to Clause 10.1(b)(iv), the Service Provider shall pay the Customer an amount equal to the quantity of the Reconciliation Quantity multiplied by the SMSP for the last Day of the Run-off Period as quoted by ICE. The Customer shall have the right to invoice the Service Provider in respect of the Reconciliation Quantity and the provisions of Clause 11 shall apply.

where:

SAF = the Service Availability Factor on a Day, as determined in accordance with Clause 8;

P =

(i) in the Summer Period, an amount equal to:

(A) the Annual Service Fee divided by the number of Days in the Summer Period; multiplied by

(B) twenty per cent (20%);

11.8 Each Party shall promptly provide the other with valid VAT invoices specifying any sums (other than those referred to in Clause 11.1) due or owing under this Agreement.

11.9 It is the intention of the Parties that the terms of this Agreement shall not constitute a supply of Natural Gas for the purpose of the Climate Change Levy. The VAT treatment of the supplies under this Agreement shall be determined according to the VAT laws of the jurisdiction where a taxable transaction for VAT purposes is deemed to take place. Each Party shall, to the extent permitted by law, provide the other with any additional valid VAT invoices as required for the purposes of this Agreement.

21 CONFIDENTIALITY

21.1 No Disclosure

Subject to Clause 21.2, neither Party shall disclose the terms of this Agreement or any information relating thereto to any third party save with the prior written consent of the other, and shall keep the same strictly confidential.

21.2 Exceptions

- (a) to the extent such disclosure is required by any Legal Requirement or in connection with any judicial, arbitration or administrative proceeding or the rules of any recognised stock or securities exchange or any provision of the Network Code;
- (b) to disclosures made to Affiliates, employees, agents, contractors or advisers of a Party who have been required by the relevant Party to keep such terms and/or information confidential;
- (c) to the extent such terms and/or information is already in the public domain (or otherwise already known to the person receiving such information), otherwise than through a breach of this Agreement;
- (d) to any governmental agency, or regulatory or administrative agency having jurisdiction over the disclosing Party;
- (e) to a bona fide intended assignee or transferee of a Party's rights and obligations hereunder provided that such assignee or transferee has undertaken to keep such terms and/or information confidential;

- (g) to the Facility Operator to the extent that such disclosure is reasonably necessary to give effect to any provisions of this Agreement; and
- (h) to any Expert appointed in accordance with Clause 25.

22 REPRESENTATION, VARIATION AND WAIVER

22.1 Representation

- (a) For the purposes of this Clause 22.1, "**Representation**" means a draft agreement, undertaking, representation, warranty, promise, assurance or arrangement of any nature whatsoever, whether or not in writing, relating to this Agreement, made or given by either Party or any other person at any time prior to the Execution Date.
- (b) Except to the extent repeated in this Agreement, the terms of this Agreement supersede and extinguish any Representation.
- (c) Each Party acknowledges that in entering into this Agreement it is not relying and will not rely upon any Representation which is not set out in this Agreement.

- (d) Neither Party shall have any right of action against the other Party arising out of or in connection with any Representation (except in the case of fraud) except to the extent repeated in this Agreement.
- (e) This Agreement contains the entire Agreement between the Parties with respect to the subject matter hereof, and supersedes all previous agreements or understandings between the Parties with respect thereto and any warranty, condition or other term implied by law or custom is (to the fullest extent permitted by law) expressly excluded.

22.2 Variation

No variation to this Agreement shall be valid, unless it is in writing and signed by an authorised representative of each Party.

22.3 Waiver

- (a) If a party breaches a term of this Agreement, the rights of the other party arising from that breach cannot be waived except:
 - (i) with the express written consent of the other party; and
 - (ii) to the extent set out in that consent.
- (b) No waiver or consent by either Party (express or implied) of any one or more defaults by the other shall operate or be construed as a waiver of, or consent to, any other defaults, whether of a like or different nature.
- (c) Failure by a Party to complain of any act of the other or to declare such other in default in respect of this Agreement, regardless of how long that failure continues, shall not constitute a waiver by such Party of its rights with respect to such default.

22.4 Severability

If any of the provisions of this Agreement is found by a court or authority of competent jurisdiction to be void or unenforceable, such provision shall be deemed to be deleted from this Agreement, and the remaining provisions shall continue in full force and effect. The Parties shall in such event meet to negotiate in good faith and seek to agree upon a valid and enforceable provision to replace the provision so found to be void or unenforceable.

23 CHANGES TO LEGAL REQUIREMENTS, PUBLICATIONS, ETC.

- 23.1 If any changes shall be made to the applicable Legal Requirements which would affect the implementation of the provisions of this Agreement, the Parties shall agree such amendments to this Agreement as may be necessary or appropriate to take account of such changes, so that this Agreement may continue in force, achieving substantially the same commercial effect.
- 23.2 In the event that any of the publications or prices referred to in this Agreement cease to be published, or the information contained in any such publication is provided in a different form, the Parties shall agree any amendments to this Agreement which may be necessary or appropriate, including the use of alternative publications, prices or information, so that this Agreement may continue in force, achieving substantially the same commercial effect.
- 23.3 If the Parties are unable to agree on any amendments which need to be made to this Agreement pursuant to Clause 23.1 or Clause 23.2, either Party may refer the matter to an Expert for determination in accordance with Clause 25.

24 PARTIES TO CO-OPERATE, ETC.

- 24.1 Each Party shall co-operate with the other in the performance of this Agreement, including in relation to the making and implementing of Nominations.
- 24.2 The Parties shall agree such further rules and procedures for the implementation of the provisions of this Agreement as may be necessary or appropriate for the efficient performance of this Agreement, including in relation to the making and implementation of Nominations.

25 EXPERT

- 25.1 Where pursuant to this Agreement any matter is to be referred to an Expert, or the Parties agree that any matter shall be referred to an Expert (any such matter a “**Dispute**”) the provisions of this Clause 25 shall have effect.
- 25.2 To start a determination, one Party must write to the other, identifying the issue and proposing an expert. As soon as reasonably practicable following such notice, the Parties must try to jointly appoint a single expert to determine the Dispute (the “**Expert**”) who shall be an independent person of suitable experience and skill agreed upon by both Parties or in lieu of such agreement:
- (a) in respect of Disputes referred to an Expert in accordance with Clause 12, selected by the President for the time being of the Institute of Chartered Accountants in England (or its successor body); and
 - (b) in respect of all other Disputes, selected by the President for the time being of the Energy Institute (or its successor body).
- 25.3 The Expert must act as an expert and not as an arbitrator. The Arbitration Act 1996 and the law of arbitration shall not apply to the Expert, to the determination procedure, or to the Expert’s decision.
- 25.4 The Parties will meet with the Expert to agree the timetable and to determine the form of submissions to be made, the form of the hearing of the Dispute and the remuneration of the Expert.
- 25.5 Each Party shall bear its own costs including without limitation the costs of providing documentation, information, data, submissions, and expenses of all witnesses and other persons retained by such Party.
- 25.6 The Expert’s fees and expenses shall be payable by the Parties in equal amounts, unless the Parties agree that the Expert may make a direction that such fees and expenses should be borne on some other basis.
- 25.7 The Expert’s determination must take place in London, in English, and must be delivered within three (3) Months of the Expert’s appointment. The Expert’s final determination shall be final and binding on the Parties except in the case of manifest error by the Expert or fraud.
- 25.8 The Parties and the Expert shall keep confidential the fact that the expert determination is taking place, all documents and information relating thereto and its outcome.

26 THIRD PARTY RIGHTS

The Parties do not intend that any terms of this Agreement, nor any rights or benefits expressly or impliedly conferred by it, be enforceable by virtue of the Contract (Rights of Third Parties) Act 1999 by any person who is not a party to this Agreement; and the Parties may rescind or vary this Agreement, in whole or in part, without the consent of any such person.

27 GOVERNING LAW

- 27.1 This Agreement and any dispute, controversy, proceedings or claims of whatever nature arising out of or in any way relating to this Agreement or its formation (including any non-contractual disputes or claims) shall be governed by and construed in accordance with the laws of England, and each Party submits to the exclusive jurisdiction of the English courts except where any such Dispute has previously been referred to an Expert and finally determined in accordance with Clause 25.
- 27.2 Without prejudice to any other mode of service allowed under any relevant law, where the Service Provider is a company registered outside of the United Kingdom, the Service Provider:
- (a) irrevocably appoints the agent identified in Schedule 1, as its agent for service of process in relation to any proceedings before the English courts in connection with this Agreement; and
 - (b) agrees that failure by its agent to notify the Service Provider of the process will not invalidate the proceedings concerned.
- 27.3 If any person appointed as an agent for service of process is unable for any reason to act as agent for service of process, the Service Provider shall (a) immediately notify the Customer and (b) immediately (and in any event within thirty (30) Business Days of such event taking place) appoint another person in England to accept service of process on its behalf in England.

28 ANTI-CORRUPTION

- 28.1 Each Party warrants and undertakes that it (and any Associated Person) has in the negotiations of this Agreement and shall in connection with its performance continue to:
- (a) comply with all applicable Anti-Bribery Laws and Anti-Slavery Laws;
 - (b) not engage in any activity, practice or conduct which would constitute an offence under sections 1, 2 or 6 of the Bribery Act 2010 or under the Modern Slavery Act 2015 if such activity, practice or conduct had been carried out in the UK; and
 - (c) notify the other Party as soon as reasonably practicable upon becoming aware of any breach of this Clause 28.
- 28.2 Each Party will, in connection with this Agreement, maintain in place throughout the Term appropriate policies and procedures to ensure compliance with all applicable Anti-Bribery Laws and Anti-Slavery Laws.
- 28.3 To the extent permitted by law, the Service Provider will provide the Customer (at the Customer's cost) with such reasonable assistance as it may require from time to time:
- (a) to enable it to conduct any audit or investigation into its performance of this Agreement and its compliance with any applicable Anti-Slavery Laws and Anti-Bribery Laws (such reasonable assistance to include access to any data, documents or individuals involved in the performance of this Agreement and any relevant property, site or location during business hours and on reasonable notice); and
 - (b) to assist any Competent Authority in conducting any investigation into compliance with any applicable Anti-Slavery Laws and Anti-Bribery Laws.

29 COUNTERPARTS

This Agreement may be executed in any number of counterparts and by the Parties on separate counterparts. Each counterpart shall constitute an original of this Agreement, but together the counterparts shall constitute one document.

DATED **20**

[GUARANTOR] (1)

in favour of

NATIONAL GRID GAS PLC (2)

GUARANTEE

THIS GUARANTEE is made the day.....of 20

by [.....] a company [registered in [] (No.)] and having its registered office at [.....] (herein called the "Guarantor") in favour of National Grid Gas plc a company registered in England (No. 2006000) having its registered office at 1-3 Strand, London, WC2N 5EH herein called "National Grid Gas".

WHEREAS

- (A) This Guarantee is supplemental to a Gas Capacity Agreement – Storage dated [] (the "Agreement") between (1) National Grid Gas (2) and [.....], a company registered in [] (No.) and having its registered office at [.....] ("the Service Provider"), whereby the Service Provider agrees and undertakes to provide certain operating margins services to National Grid Gas in order for National Grid Gas to comply with its regulatory requirements, namely Special Licence Condition 8C and TPD Section K of the Network Code (as such term is defined in the Agreement).
- (B) National Grid Gas has entered or agreed to enter into the Agreement subject to the Guarantor guaranteeing performance by the Service Provider of its payment obligations pursuant to the Agreement.

NOW THIS DEED WITNESSETH and the Guarantor hereby agrees as follows:

- 1 This Guarantee is effective from (Enter date) (or such later date as may be notified in writing by National Grid Gas to the Guarantor prior to (Enter date) (the "Effective Date")).
- 2 In this Guarantee "Guaranteed Liabilities" means all monies which are now, or in the future become due or owing by the Service Provider to National Grid Gas howsoever arising under or in connection with the Agreement.
- 3 The Guarantor irrevocably and unconditionally guarantees to National Grid Gas the punctual payment by the Service Provider of the Guaranteed Liabilities and that whenever the Service Provider does not pay any Guaranteed Liabilities the Guarantor shall immediately pay such Guaranteed Liabilities on written demand as if it were the principal debtor and in the currency in which the same falls due for payment.
- 4 The Guarantor agrees to pay interest on each amount demanded under this Guarantee and on any interest compounded under this clause 4 from the date of demand until payment (as well after as before judgment) at a rate of 2 per cent per annum above Barclays Bank PLC base rate accruing on a daily basis. Such interest shall be calculated and compounded monthly if not paid on demand but without prejudice to National Grid Gas's right to require payment of such interest.
- 5 The Guarantor agrees to pay legal and other costs and expenses (on a full and unqualified indemnity basis) incurred by National Grid Gas whether before or after the date of demand on the Guarantor: (i) in enforcing or reasonably endeavouring to enforce the payment of any money due under this Guarantee or otherwise in relation to this Guarantee; and (ii) in resisting or reasonably endeavouring to resist any claims or defences made against National Grid Gas in connection with the liabilities or alleged liabilities of the Service Provider guaranteed hereunder or any money or benefits received by or any preference or alleged preference given to National Grid Gas from or by the Service Provider.
- 6 The obligations of the Guarantor under this Guarantee are undertaken by it as a primary obligor and not merely as a surety.
- 7 As a separate and independent primary obligation, without prejudice to clause 3, the Guarantor unconditionally and irrevocably agrees that it shall remain liable in respect of the Guaranteed Liabilities even if any of the Guaranteed Liabilities is not or ceases to be valid or enforceable against the Service Provider for whatever reason, whether or not known to

National Grid Gas, as if the same were fully valid and enforceable. The Guarantor unconditionally and irrevocably agrees to keep National Grid Gas fully indemnified on demand against all damages, losses, costs, and expenses arising from any failure of the Service Provider to perform or discharge payment of any of the Guaranteed Liabilities.

8 The liability of the Guarantor to make payment to National Grid Gas shall not be impaired or discharged by reason of any of the following (whether or not the Guarantor has notice thereof):

- (a) any amendment, variation or waiver (however fundamental) of any provision of the Agreement;
- (b) any indulgence or forbearance shown by National Grid Gas towards the Service Provider or the Guarantor whether as to payment or time for payment or any arrangement entered into or composition accepted by National Grid Gas modifying (by operation of law or otherwise) the rights and remedies of National Grid Gas pursuant to the Agreement with regard to payment or time for payment;
- (c) any action lawfully taken by any party to the Agreement to determine the Agreement as respects the Service Provider or any other party thereto, or as a result of which the Service Provider ceases to be a party to the Agreement;
- (d) any change in the relationship between the Guarantor and the Service Provider;
- (e) any disability, legal limitation, incapacity or change in the status or constitution of the Service Provider, the Guarantor or National Grid Gas;
- (f) the bankruptcy, liquidation, dissolution or insolvency of the Service Provider or any receivership, administration, moratorium, composition of creditors or other analogous event affecting the Service Provider or any of its property;
- (g) any failure or delay by National Grid Gas to assert any of its rights under this Guarantee;
- (h) any composition discharge release or other variation of liability entered into with or granted to the Service Provider;
- (i) the invalidity or unenforceability of the obligations of the Service Provider pursuant to the Agreement; or
- (j) any other act or omission of National Grid Gas or any other circumstance which but for this provision might discharge the Guarantor.

9 This Guarantee shall:

- (a) be in addition to any present or future Collateral Instrument, right or remedy held by or available to National Grid Gas; and
- (b) not be in any way prejudiced or affected by:
 - (i) the existence of any Collateral Instrument, rights or remedies; or
 - (ii) any Collateral Instrument becoming wholly or in part void, voidable or unenforceable on any ground; or
 - (iii) National Grid Gas dealing with, exchanging, varying or failing to perfect or enforce any Collateral Instrument; or

- (iv) National Grid Gas giving time for payment or indulgence or compounding with any person liable for the Guaranteed Liabilities.

10 National Grid Gas shall not be obliged to make any claim or demand on the Service Provider or to resort to any Collateral Instrument or other means of payment now or in future held by or available to it before enforcing this Guarantee.

11 No action taken or omitted by National Grid Gas in connection with any Collateral Instrument or other payment or any variation, amendment, supplement, novation or replacement of any Collateral Instrument shall discharge, reduce, prejudice, or affect the Guaranteed Liabilities or liability of the Guarantor under this Guarantee.

12 National Grid Gas shall not be obliged to apply any money or other property received or recovered in consequence of any enforcement or realisation of any Collateral Instrument or other payment in reduction of the Guaranteed Liabilities.

13 For the purposes of this clause "Collateral Instruments" means notes, bills of exchange, certificates of deposit and other negotiable and non-negotiable instruments, guarantees, indemnities and other assurances against financial loss, and any other documents or instruments which contain or evidence an obligation (with or without security) to pay, discharge or be responsible directly or indirectly for, any indebtedness or liabilities of the Service Provider, and includes any document or instrument creating or evidencing an encumbrance, however defined and includes, without limitation, letters of credit, deposit agreements and escrow agreements.

14 This Guarantee shall continue in full force and effect until all sums whatsoever payable by the Service Provider pursuant to the Agreement have been finally paid in full and all obligations of the Service Provider pursuant to the Agreement have been performed in full.

15 The Guarantor shall exercise only in accordance with any of National Grid Gas's instructions:

- (a) its rights of subrogation, contribution, and indemnity in connection with any payment by the Guarantor pursuant to this Guarantee;
- (b) its right to take the benefit of, share in or enforce any security or other guarantee or indemnity for the Service Provider obligations held by National Grid Gas; and
- (c) its right to prove or claim in the bankruptcy, liquidation, dissolution or insolvency of the Service Provider or any receivership, administration, moratorium, composition of creditors or other analogous event affecting the Service Provider or any of its property.

Any amount recovered as a result of the exercise of such rights shall be paid to National Grid Gas on demand.

16 The Guarantor hereby represents and warrants to National Grid Gas that:

- (a) the Guarantor is duly incorporated and is a validly existing company under the laws of its place of incorporation, has the capacity to sue or be sued in its own name and has power to carry on its business as now being conducted and to own its property and other assets;
- (b) the Guarantor has full power and authority to execute, deliver, and perform its obligations under this Guarantee and no limitation on the powers will be exceeded as a result of the Guarantor entering into this Guarantee;
- (c) the execution, delivery, and performance by the Guarantor of this Guarantee and the performance of its obligations under this Guarantee have been duly authorised by all necessary corporate action and do not contravene or conflict with:

- (i) the Guarantor's memorandum and articles of association or other equivalent constitutional documents; or
 - (ii) any existing law, statute, rule or regulation or any judgment, decree or permit to which the Guarantor is a party or which is binding upon it or any of its assets; or
 - (iii) the terms of any agreement or other document to which the Guarantor is a party or which is binding upon it or any of its assets; and
- (d) this Guarantee is the legal, valid, and binding obligation of the Guarantor and is enforceable against the Guarantor in accordance with its terms.
- 17 The Guarantor acknowledges that National Grid Gas has accepted this Guarantee in full reliance on the representations and warranties set out in clause 16.
- 18 All payments by the Guarantor under this Guarantee shall be made in full, without set-off or counterclaim and, subject to clause 19, free and clear of any deductions or withholdings in immediately available, freely transferable, cleared funds for value on the date specified in National Grid Gas's demand to the account notified to the Guarantor by National Grid Gas.
- 19 If at any time the Guarantor is required by law to make any deduction or withholding in respect of any taxes, duties or other charges or withholdings from any payment due under this Guarantee, the sum due from the Guarantor in respect of such payment shall be increased to the extent necessary to ensure that, after the making of such deduction or withholding, National Grid Gas receives on the due date and retains (free of any liability in respect of such deduction or withholding) a net sum equal to the sum which it would have received had no such deduction or withholding been required to be made.
- 20 The Guarantor may not assign or transfer any of its rights or obligations under this Guarantee. National Grid Gas may only assign its rights under this Guarantee to a person in favour of whom an assignment has been made pursuant to the Agreement.
- 21 National Grid Gas may disclose to a prospective assignee or transferee or to any other person proposing to enter into any agreement with National Grid Gas in relation to the Agreement such information about the Guarantor as National Grid Gas thinks fit.
- 22 National Grid Gas's rights under this Guarantee are cumulative and not exclusive of any rights provided by law and may be exercised from time to time and as often as National Grid Gas deems expedient.
- 23 If any provisions of this Guarantee become invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired.
- 24 No failure or delay by National Grid Gas in exercising any right or remedy shall operate as a waiver, nor shall any single or partial exercise or waiver of any right or remedy preclude its further exercise or the exercise of any other right or remedy.
- 25 A person who is not a party to this Guarantee (including any employee, officer, agent, representative or sub-contractor of any party) shall not have the right to enforce any term of this Guarantee which expressly or by implication confers a benefit on that person without the express prior agreement in writing of the Guarantor and National Grid Gas, which agreement must refer to this clause 25.
- 26 This Guarantee shall secure the ultimate balance of the Guaranteed Liabilities from time to time and shall be a continuing security and shall not be affected by any performance, payment, settlement or other matter pursuant to or in respect of the Agreement or this Guarantee and shall (subject to clause 27) remain in effect until the date on which National

Grid Gas is satisfied that the Guaranteed Liabilities have been discharged in full (such date, the "Termination Date").

- 27 Notwithstanding clause 26 above and any release, discharge, termination or settlement between National Grid Gas and the Guarantor the liability of the Guarantor under this Guarantee shall continue in full force and effect following the Termination Date and/or such release discharge, termination or settlement in relation to:
- (a) the Guaranteed Liabilities which shall have become due at the Termination Date; and
 - (b) the Guaranteed Liabilities (including for the avoidance of doubt and without limitation contingent and unascertained liabilities) which may become due, owing or incurred by the Service Provider to National Grid Gas pursuant to any transaction, dealing, commitment or other engagement entered into or effected either (i) prior to the Termination Date or (ii) on or after the Termination Date pursuant to any commitment, expressed or implied, assumed or undertaken by the Service Provider to National Grid Gas prior to the Termination Date;

If that happens, National Grid Gas shall be entitled to recover from the Guarantor to the full extent of this Guarantee as if the release, discharge, or settlement had not occurred and such payment had not been made.
- 28 National Grid Gas shall be entitled to retain this Guarantee after as well as before the payment or discharge of all the Guaranteed Liabilities for such period as it may determine.
- 29 Any statement of account of the Service Provider, signed as correct by an officer of National Grid Gas, showing the amount of the Guaranteed Liabilities shall, in the absence of manifest error, be binding and conclusive on and against the Guarantor.
